B. Background Information about AmeriHealth Caritas VIP Care's Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, drugs, equipment, and other services.
 - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, physician assistant, or nurse practitioner who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **prior authorization** for a specialist or someone that isn't your PCP. A **prior authorization** is different than a referral. It means that **AmeriHealth Caritas VIP Care** (not your network PCP) must give you approval before we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a prior authorization, AmeriHealth Caritas VIP Care may not cover the service, item, or drug.

If you have questions, please call AmeriHealth Caritas VIP Care at **1-844-964-4433 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. **For more information**, visit www.amerhealthcaritasvipcare.com/mi.

- Referrals or prior authorization **aren't** needed for:
 - emergency care;
 - urgently needed care;
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
 - services from a women's health specialist.
 - physician specialist services, including chiropractic and podiatrist services;
 - medicare-covered preventive services;
 - kidney disease education services;
 - diabetes self-management training
- Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
- More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.
- You'll also be assigned a care team and an assigned care coordinator. A Care Coordinator helps you manage your medical providers and services. A Care Coordinator is a licensed nurse or social worker who is responsible for assisting you in getting the services and care you need through a care plan that is developed with you to identify your needs after an assessment is completed. The Care Coordinator recognizes that you lead how care and services will be provided and works with health care providers to help ensure they are provided. Your Integrated Care Team includes you and your chosen allies or legal representative, primary care provider, Care Coordinator, LTSS Coordinator or PIHP Support Coordinator (as applicable), and others as needed.

Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care team may include:

- A **Care Coordinator** that helps you manage your medical providers and services. A Care Coordinator is a licensed nurse or social worker who is responsible for assisting you in getting the services and care you need through a care plan that is developed with you to identify your needs after an assessment is completed. The Care Coordinator recognizes that you lead how care and services will be provided and works with health care providers to help ensure they are provided.

If you have questions, please call AmeriHealth Caritas VIP Care at **1-844-964-4433 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. **For more information**, visit **www.amerihhealthcaritasvipcare.com/mi**.

- Your **Primary Care Provider**.
- **Care plan**

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS or other services. The care plan will focus on your goals taking into account your concerns, wants, needs and strengths. It'll include a summary of your health status and your plan for addressing your concerns. You'll be asked to sign your care plan after it's satisfactory to you.

Your care plan includes:

- your self-management goals and objectives,
- a timeline for getting the services you need,
- your cultural values and the communication needs and preferences,
- your personal healthcare preferences for care, services, and supports,
- your prioritized list of concerns, goals and objectives, and strengths,
- specific providers, supports and services including amount, scope, and duration,
- a summary of your health status,
- the plan for addressing your concerns or goals and measures for achieving them,
- role of the member's caregiver, if relevant,
- due dates for the interventions and Reassessment, **and**
- a plan to address health related social needs such as food or housing security,
- identification of measurable goals,
- member specific problem statements, goals and interventions,
- specific goals for staff to monitor members who are unable to be reached or members who out of care management,
- prioritized goals and progression toward meeting these goals,
- planned interventions and resources,
- time frame for re-evaluation of progress,
- care planning for continuity of care, transitions of care and collaborative approaches including member, caregiver, and care team participation,
- outcomes of face-to-face visits conducted by the care team, vendors, contracted network providers or other ICT members.

If you have questions, please call AmeriHealth Caritas VIP Care at **1-844-964-4433 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. **For more information**, visit **www.amerihhealthcaritasvipcare.com/mi**.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

Your care plan is documented in the plan's care management information system for access to and updating by the Care Team.

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

- We must provide you with access to primary care and behavioral health services within the following timeframes: immediately for urgently needed services or an emergency;
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You may be able to have a specialist act as your PCP. If you see a cardiologist, you may ask us to assign them as your PCP. If you would like to have a specialist act as your PCP, please call Member Services. Your specialist would need to sign an agreement with us in order to act as your PCP. You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in **Section C** and choose a provider:
 - that you use now, **or**
 - who has been recommended by someone you trust, **or**
 - whose offices are easy for you to get to.
- If you don't choose a PCP in our network, AmeriHealth Caritas VIP Care will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 1-844-964-4433 (TTY 711), 8 a.m. – 8 p.m., seven days a week. The call is free. Or, visit www.amerhealthcaritasvipcare.com/mi.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at 1-844-964-4433 (TTY 711) and ask before you get the service or care.

If you have questions, please call AmeriHealth Caritas VIP Care at **1-844-964-4433 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. **For more information**, visit [**www.amerhealthcaritasvipcare.com/mi**](http://www.amerhealthcaritasvipcare.com/mi).

B4. Long-term Services and Supports (LTSS) providers

As a AmeriHealth Caritas VIP Care member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as home health care services, personal care services, nursing home care, and home and community-based services (adult day program, respite, expanded community living supports, preventive nursing services, private duty nursing, and other services). LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. LTSS is available to members who meet certain clinical and financial requirements.

If you need LTSS your Care Coordinator can help you and your Care Team determine what options are available to support you in the way you want.

B5. How to access AmeriHealth Caritas VIP Care's network providers

You must get all of your covered services from providers within our network. If you use providers who aren't in AmeriHealth Caritas VIP Care's network **(without prior authorization), you may have to pay the bill.**

A **prior authorization** is an approval from AmeriHealth Caritas VIP Care to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan for other non-emergency services if AmeriHealth Caritas VIP Care gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. Please call your Care Coordinator or Member Services toll-free at **1-844-964-4433 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free.
- AmeriHealth Caritas VIP Care works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, AmeriHealth Caritas VIP Care can help you. Talk to your care team, or care coordinator for assistance.

If you have questions, please call AmeriHealth Caritas VIP Care at **1-844-964-4433 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. **For more information**, visit **www.amerithealthcaritasvipcare.com/mi**.

D. Background Information about AmeriHealth Caritas VIP Care's Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** AmeriHealth Caritas VIP Care and have agreed to provide drugs to you as a member of the plan.

While most of the drugs you get from a pharmacy are covered by AmeriHealth Caritas VIP Care, other drugs may be covered by Michigan Medicaid. This can include some over-the-counter medications and certain vitamins. For drugs covered by Michigan Medicaid, please visit the Michigan Medicaid website Medicaid Health Plan Pharmacy Benefit at www.michigan.gov/medicaid for more information. You can also call the Beneficiary Help Line at 1-800-642-3195 or the Michigan Healthcare Help Line at 1-855-789-5610 (TTY 1-866-501-5656 between the hours of 8:00 AM and 7:00 PM, Monday through Friday (except holidays). Please bring your Member ID Card when getting prescriptions through Michigan Medicaid.

Please contact AmeriHealth Caritas VIP Care Member Services at 1-844-964-4433 (TTY 711) or your Care Coordinator for assistance.

We also list pharmacies that are in our network but are outside Wayne and Macomb in which you live. You may also fill your prescriptions at these pharmacies. Please contact AmeriHealth Caritas VIP Care at 1-844-964-4433 (TTY 711), 8 a.m. - 8 p.m., seven days a week, for additional information.

AmeriHealth Caritas VIP Care members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the AmeriHealth Caritas VIP Care *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory

For up-to-date information about AmeriHealth Caritas VIP Care network pharmacies in your area, please visit our website at www.amerihealthcaritasvipcare.com/mi or call Member Services at 1-844-964-4433 (TTY 711), 8 a.m. - 8 p.m., seven days a week. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and AmeriHealth Caritas VIP Care's *List of Covered Drugs*.

For information about where to find the list of covered drugs please visit our website at www.amerihealthcaritasvipcare.com/mi or call Member Services at **1-844-964-4433 (TTY 711)**, 8 a.m. - 8 p.m., seven days a week. The call is free.

D1. Types of pharmacies in AmeriHealth Caritas VIP Care's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

You aren't required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 61 to 100-day supply of your drugs sent directly to your home. A 61 to 100-day supply has the same copay as a one-month supply.
- 100-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 100-day supply of covered drugs. A 100-day supply has the same copay as a one-month supply.

If you have questions, please call AmeriHealth Caritas VIP Care at **1-844-964-4433 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. **For more information**, visit **www.amerihealthcaritasvipcare.com/mi**.

E2. Mail-order pharmacies

You can get drugs shipped to your home through our network mail-order delivery program which is called Walgreens Mail Service. Pharmacies are to get your consent before shipping or delivering any prescriptions that you have not personally submitted. If a prescriber sends a prescription to a pharmacy for you, the pharmacy will contact you for your approval first.

You also have the choice to sign up for automated mail-order delivery through our Walgreens Mail Service. Typically, you should expect to get your drugs within 10 days from the time that the mail-order pharmacy gets the order.

If you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you didn't want or need, please contact us at 1-844-964-4433 (TTY 711). To learn more about mail-order pharmacies, refer to **Chapter 5** of the *Member Handbook*.
