A. Welcome to our plan

AmeriHealth Caritas VIP Care is a highly integrated dual eligible special needs plan. Our plan provides coverage for Medicare and Michigan Medicaid services to individuals who are eligible for both programs. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers and other providers. We also have care coordinators and care teams to help you manage your providers and services. They all work together to provide the care you need.

B. Information about Medicare and Michigan Medicaid

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or over,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. Michigan Medicaid

Michigan Medicaid is the name of Michigan's Medicaid program. Michigan Medicaid is run by the state and is paid for by the state and the federal government. Michigan Medicaid helps people with limited incomes and resources pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who is eligible,
- what services are covered, **and**
- the cost for services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of Michigan approved our plan. You can get Medicare and Michigan Medicaid services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the state of Michigan allow us to continue to offer this plan.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Even if our plan stops operating in the future, your eligibility for Medicare and Michigan Medicaid services isn't affected.

C. Advantages of our plan

You'll now get all your covered Medicare and Michigan Medicaid services from our plan, including drugs. **You don't pay extra to join this health plan.**

We help make your Medicare and Medicaid benefits work better together and work better for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You have access to a care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and care coordinator.
- Your care team and care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
 - Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
 - Your test results are shared with all of your doctors and other providers, as appropriate.
 - **New members to AmeriHealth Caritas VIP Care:** In most instances you'll be enrolled in AmeriHealth Caritas VIP Care for your Medicare benefits the 1st day of the month after you request to be enrolled in AmeriHealth Caritas VIP Care. You may still receive your Michigan Medicaid from your previous Michigan Medicaid health plan for one additional month. After that, you'll receive your Michigan Medicaid services through AmeriHealth Caritas VIP Care. There will be no gap in your Michigan Medicaid coverage. Please call us at the number at the bottom of the page if you have any questions.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

D. Our plan's service area

Our service area includes these counties in Michigan: Macomb and Wayne.

Only people who live in our service area can join our plan.

You can't stay in our plan if you move outside of our service area. Refer to **Chapter 8** of this *Member Handbook* for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You're eligible for our plan as long as you:

- live in our service area (incarcerated individuals aren't considered living in the service area even if they're physically located in it), **and**
- have both Medicare Part A and Medicare Part B, **and**
- are a United States citizen or are lawfully present in the United States, **and**
- are currently eligible for Michigan Medicaid, **and**
- are age 21 or older at the time of enrollment including individuals age 21 and older served by the Children's Specialized Health Care Services (CSHCS) program.
- are receiving full Medicaid benefits (this includes individuals who are eligible for Medicaid through expanded financial eligibility limits under a 1915(c) waiver or who reside in a Nursing Facility, including those who have a monthly Patient Pay Amount).

If you lose eligibility but can be expected to regain it within 90 days then you're still eligible for our plan.

Call Member Services for more information.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within 90 days before or after your enrollment effective date

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs and non-clinical needs

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail.

We'll send you more information about this HRA.

AmeriHealth Caritas VIP Care must maintain your current providers and services you're receiving at the time of Enrollment. This includes drugs and providers which aren't part of our network. How long you'll continue to receive these services depends on what services you're receiving and why you're getting them. Only after we've completed your HRA will we consider any changes to the services you're getting at the time you enroll.

G. Your care team and care plan

G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a care coordinator, or other health person that you choose.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS or other services. The care plan will focus on your goals taking into account your concerns, wants, needs and strengths. It'll include a summary of your health status and your plan for addressing your concerns. You'll be asked to sign your care plan after it's satisfactory to you.

Your care plan includes:

- your self-management goals and objectives,

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- a timeline for getting the services you need,
- your cultural values and the communication needs and preferences,
- your personal healthcare preferences for care, services, and supports,
- your prioritized list of concerns, goals and objectives, and strengths,
- specific providers, supports and services including amount, scope, and duration,
- a summary of your health status,
- the plan for addressing your concerns or goals and measures for achieving them,
- role of the member's caregiver, if relevant,
- due dates for the interventions and Reassessment, **and**
- a plan to address health related social needs such as food or housing security,
- identification of measurable goals,
- member specific problem statements, goals and interventions,
- specific goals for staff to monitor members who are unable to be reached or members who out of care management,
- prioritized goals and progression toward meeting these goals,
- planned interventions and resources,
- time frame for re-evaluation of progress,
- care planning for continuity of care, transitions of care and collaborative approaches including member, caregiver, and care team participation,
- outcomes of face-to-face visits conducted by the care team, vendors, contracted network providers or other ICT members.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

Your care plan is documented in the plan's care management information system for access to and updating by the Care Team.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

H. Summary of important costs

Our plan has no premium.

Your costs may include the following:

- Monthly Medicare Part B Premium (**Section H1**)
- Medicare Prescription Payment Amount (**Section H2**)

In some situations, your plan premium could be less.

There are programs to help people with limited resources pay for their drugs. These include “Extra Help” and SPAPs. Learn more about these programs in **Chapter 2, Section H2**. If you qualify, enrolling in the program might lower your monthly plan premium.

If you *already* get help from one of these programs, **the information about premiums in this Member Handbook may not apply to you**. We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services at the number at the bottom of this page and ask for the “LIS Rider”.

H1. Monthly Medicare Part B Premium

Many members are required to pay other Medicare premiums

Some members are required to pay other Medicare premiums. As explained in **Section E** above to be eligible for our plan, you must maintain your eligibility for Medicaid as well as have both Medicare Part A and Medicare Part B. For most AmeriHealth Caritas VIP Care *members*, Medicaid pays for your Medicare Part A premium (if you don’t qualify for it automatically) and Part B premium.

If Medicaid isn’t paying your Medicare premiums for you, you must continue to pay your Medicare premiums to stay a member of our plan. This includes your premium for Medicare Part B. You may also pay a premium for Medicare Part A if you aren’t eligible for premium-free Medicare Part A. **In addition, please contact Member Services or your care coordinator and inform them of this change.**

H2. Medicare Prescription Payment Amount

If you’re participating in the Medicare Prescription Payment Plan, you’ll get a bill from your plan for your drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month’s balance, divided by the number of months left in the year.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Chapter 2 tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in **Chapter 9** to make a complaint or appeal.

I. This *Member Handbook*

This *Member Handbook* is part of our contract with you. This means that we must follow all rules in this document. If you think we've done something that goes against these rules, you may be able to appeal our decision. For information about appeals, refer to **Chapter 9** of this *Member Handbook* or call 1-800-MEDICARE (1-800-633-4227).

You can ask for a *Member Handbook* by calling Member Services at the numbers at the bottom of the page. You can also refer to the *Member Handbook* found on our website at the web address at the bottom of the page.

The contract is in effect for the months you're enrolled in our plan between January 1, 2026 and December 31, 2026.

J. Other important information you get from us

Other important information we provide to you includes your Member ID Card, information about how to access a *Provider and Pharmacy Directory*, and information about how to access a *List of Covered Drugs*, also known as a *Drug List* or *Formulary*.

J1. Your Member ID Card

Under our plan, you have one card for your Medicare and Michigan Medicaid services, including LTSS, certain behavioral health services, and prescriptions. You show this card when you get any services or prescriptions. Here is a sample Member ID Card:

If your Member ID Card is damaged, lost, or stolen, call Member Services at the number at the bottom of the page right away. We'll send you a new card.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerhealthcaritasvipcare.com/mi.

As long as you're a member of our plan, you don't need to use your red, white, and blue Medicare card or your Michigan Medicaid card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. You may be asked to show your Medicare card if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials). Refer to **Chapter 7** of this *Member Handbook* to find out what to do if you get a bill from a provider.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you're a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Member Services at the numbers at the bottom of the page. Requests for hard copy Provider and Pharmacy Directories will be mailed to you within three business days. You can also refer to the *Provider and Pharmacy Directory* at the web address at the bottom of the page.

This Directory lists health care professionals (such as doctors, nurse practitioners, and psychologists), facilities (such as hospitals or clinics), and support providers (such as adult day health and home health providers) that you may see as an AmeriHealth Caritas VIP Care member. We also list the pharmacies that you may use to get your prescription drugs.

During the first 90 days after you enroll with AmeriHealth Caritas VIP Care you can see any provider you've seen within the previous twelve (12) months, even if the provider isn't in our network.

Definition of network providers

- Our network providers include:
 - doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to [insert if applicable: help you] pay for them.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

J3. List of Covered Drugs

Our plan has a *List of Covered Drugs*. We call it the *Drug List* for short. It tells you which drugs our plan covers. The drugs on this list are selected by our plan with the help of doctors and pharmacists. The *Drug List* must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your *Drug List* unless they have been removed and replaced as described in **Chapter 5, Section E**. Medicare approved the AmeriHealth Caritas VIP Care *Drug List*.

The *Drug List* also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of this *Member Handbook* for more information.

Each year, we send you information about how to access the *Drug List*, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call your Care Coordinator or Member Services or visit our website at the address at the bottom of the page. The *Drug List* will include a section that lists all Medicaid drugs covered in our plan. This information will also be found at our website or by calling your Care Coordinator or Member Services.

J4. The Explanation of Benefits

When you use your Medicare Part D drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D drugs. This summary is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D drugs and the total amount we paid for each of your Medicare Part D drugs during the month. This EOB isn't a bill. The EOB has more information about the drugs you take. **Chapter 6** of this *Member Handbook* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the numbers at the bottom of the page.

K. Keeping your membership record up to date

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. The doctors, hospitals, pharmacists, and other providers in our plan's network use your membership record to know what services and drugs are covered and your cost-sharing amounts. Because of this, it's very important to help us keep your information up to date.

Tell us right away about the following:

- changes to your name, address, or phone number;
- changes to any other health insurance coverage, such as from your employer, your spouse's employer, or your domestic partner's employer, or workers' compensation;
- any liability claims, such as claims from an automobile accident;
- admission to a nursing facility or hospital;
- care from a hospital or emergency room;
- changes in your caregiver (or anyone responsible for you); **and**
- you participate in a clinical research study. (**Note:** You're not required to tell us about a clinical research study you intend to participate in, but we encourage you to do so.)

If any information changes, call Member Services at the numbers at the bottom of the page.

K1. Privacy of personal health information (PHI)

Information in your membership record may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of this *Member Handbook*.

B. Your Care Coordinator

A Care Coordinator is a health professional who will help you get care and services that affect your health and wellbeing. You are assigned a Care Coordinator when you enroll with AmeriHealth Caritas VIP Care. Your Care Coordinator will get to know you and will work with you, your doctors, and other care givers to make sure everything is working together for you. You can share your health history with your Care Coordinator and set goals for healthy living. Whenever you have a question or a problem about your health or services or care you are getting from us, you can call your Care Coordinator. Your Care Coordinator is your “go-to” person for AmeriHealth Caritas VIP Care.

Our goal at AmeriHealth Caritas VIP Care is to meet your needs in a way that works for you. This is why we call our program “person-centered.” The person-centered planning process is when you work with your Care Coordinator to create a care plan that is about your goals, choices, and abilities. When you create your care plan, you are welcome to involve people you feel are key to your success, such as family members, friends, or legal representatives.

To contact or change your care coordinator, call AmeriHealth Caritas VIP Care’s Member Services at the phone number on the bottom of the page. When you enroll into the plan, you are automatically assigned a care coordinator. Your care coordinator will call you.

A. Information about services and providers

Services are health care, long-term services and supports (LTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and LTSS are in **Chapter 4** of this *Member Handbook*. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of this *Member Handbook*.

Providers are doctors, nurses, and other people who give you services and care and are licensed by the state. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain LTSS.

Network providers are providers who work with our plan. These providers agree to accept our payment as full payment. We arranged for these providers to deliver covered services to you. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

B. Rules for getting services our plan covers

Our plan covers all services covered by Medicare and Michigan Medicaid. This includes behavioral health and LTSS.

Our plan will generally pay for health care services, covered behavioral health services, and LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be included in our Medical Benefits Chart in **Chapter 4** of this *Member Handbook*.
- The care must be **medically necessary**. By medically necessary, we mean you need services to prevent, diagnose, or treat your condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For medical services, you must have a network **primary care provider (PCP)** providing and overseeing your care. As a plan member, you must choose a network provider to be your PCP (for more information, go to **Section D1** of this chapter).
 - You don't need referrals from your PCP for emergency care or urgently needed care or to use a woman's health provider. You can get other kinds of

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

care without having a referral from your PCP (for more information, go to **Section D1** in this chapter).

- **You must get your care from network providers** (for more information, go to **Section D** in this chapter). Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you'll have to pay the provider in full for services you get. Here are some cases when this rule doesn't apply:
 - We cover emergency or urgently needed care from an out-of-network provider (for more information, go to **Section I** in this chapter).
 - If you need care that our plan covers and our network providers can't give it to you, you can get care from an out-of-network provider. The out-of-network provider is responsible for obtaining prior authorization for out-of-network services. In this situation, we cover the care as if you got it from a network provider. For information about getting approval to use an out-of-network provider, go to **Section D4** in this chapter.
 - We cover kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible. If possible, call Member Services at the number at the bottom of the page before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.

C. Your care coordinator

C1. What a care coordinator is

Your Care Coordinator will help establish priorities and to link all of your doctors, pharmacies, behavioral health care and long-term care supports and services through your health plan. The Care Coordinator will help make sure that your doctors and other providers work together to meet your needs and honor your choices. The Care Coordinator connects you to supports and services that you need to be healthy and to live where you wish. This person will assist with your care plan, answer your questions, help get appointments and services, arrange transportation, and more.

C2. How you can contact your care coordinator

You can contact your care coordinator by calling 1-844-964-4433 or member services at 1-844-964-4433.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

C3. How you can change your care coordinator

You can request to change your care coordinator at any time by contacting Member Services at 1-844-964-4433 (TTY 711).

D. Care from providers

D1. Care from a primary care provider (PCP)

You must choose a PCP to provide and manage your care.

Definition of a PCP and what a PCP does do for you

A primary care provider (PCP) is a doctor who meets Medicare and state requirements and is trained to give you basic medical care.

There are different kinds of health care providers who can act as PCPs. PCPs may be nurse practitioners, physician assistants, or physicians who are board certified, or a specialist selected by a member. Generally, PCPs specialize in family practice, general practice, internal medicine or geriatrics. Female members may choose a women's health specialist to be their PCP. You may be able to have a specialist act as your PCP. A specialist can act as your PCP as long as they perform PCP functions. This will allow us to assign them to you and pay your PCP's claims. If you would like your specialist to act as your PCP, contact your care coordinator or Member Services to make the request.

Your PCP will coordinate covered services you get as a member of our plan. Your PCP is part of your care team. Your care team works together to make sure your care is coordinated. This means that your PCP should know all medicines you take in order to reduce any negative effects. Your PCP will get your permission before sharing your medical information with other providers.

The PCP's role is to:

- coordinate covered services
- make decisions about or obtain prior authorization (PA), if applicable
- For some types of services, your PCP may need to get approval in advance from AmeriHealth Caritas VIP Care (this is called getting "prior authorization"). In these cases, your PCP will be asked to provide information on your medical condition and the proposed treatment plan so that AmeriHealth Caritas VIP Care can determine if the service is medically necessary.
- Initiate and monitor referrals for specialty services when required
- Participate as a member of the members' integrated care team (ICT)

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

A Rural Health Clinic (RHC) or Federally Qualified Health Center (FQHC) that is in our network can also be your primary care provider. American Indian/Alaska Native members may choose a contracted Indian Health Services/Tribally Operated Facility/Program/Urban Indian Clinic (I/T/U) provider as their PCP.

Your choice of PCP

You should choose a PCP you are comfortable seeing and using to manage all of your health needs. If you do not choose a PCP within the first 90 days of enrollment, and AmeriHealth Caritas VIP Care has made reasonable, unsuccessful attempts to help you (by phone or mail) in selecting a PCP, then AmeriHealth Caritas VIP Care will assign a PCP to you, then notify you and the PCP of the assignment. This PCP assignment will not negatively impact any transition rights that you may have.

Option to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network.

You will have to contact your care coordinator or Member Services to change your PCP. Please call Member Services at 1-844-964-4433 (TTY 711), 8 a.m. – 8 p.m. seven days a week; You can call your Care Coordinator, Monday through Friday, 8 a.m. to 5 p.m. The call is free. For more information, visit www.amerihealthcaritasvipcare.com/mi.

The change will take effect immediately when we receive your request to change PCPs.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

When you need care from specialty providers, including home health and behavioral health services, you will need to coordinate care with your PCP. Your PCP will assist you in selecting an appropriate in-network provider and complete any necessary requirements for you. If you have any concerns or questions, you may contact your care coordinator for assistance. For some services, your PCP or specialist may need to get approval in advance from our plan. For some drugs, your doctor or other prescriber must get approval from our plan before a prescription can be filled. If you don't get approval, AmeriHealth Caritas VIP Care Plus may not

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

cover the service or drug. This is called “prior authorization” (PA). In these cases, your PCP or specialist will be asked to provide information on your medical condition and the proposed treatment so that the plan can determine if the service is medically necessary. Please refer to the benefits chart in Chapter 4, Section D, for information about which services require prior authorization.

Selection of a PCP does not limit you to specific specialists or hospitals. We do not have subnetworks or referral circles. You should see specialists that are in our network.

D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have these rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We'll notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past three years.
 - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past three months.
- We help you select a new qualified in-network provider to continue managing your health care needs.
- If you're currently undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. Prior authorization is required.
- If you find out one of your providers is leaving our plan, contact us. We can help you choose a new provider to manage your care.

- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the Quality Improvement Organization (QIO), a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

D4. Out-of-network providers

In most cases, the care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. Here are three exceptions:

- The plan covers emergency care or urgent care that you get from an out-of-network provider. For more information and to see what emergency or urgent care means, see Section I in this chapter.
- The plan covers kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area.
- If you need medical care that Medicare or Medicaid requires our plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider.

The out-of-network provider is responsible for obtaining prior authorization for the out-of-network services from the plan. To obtain prior authorization, the out-of-network provider must contact the plan. We will ask the provider to give us information on your medical condition and the proposed treatment plan so that the plan can determine if the service is medically necessary.

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Michigan Medicaid.

- We can't pay a provider who isn't eligible to participate in Medicare and/or Michigan Medicaid.
- If you use a provider who isn't eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they aren't eligible to participate in Medicare.

E. Long-term services and supports (LTSS)

Long-Term Supports and Services (LTSS) are services that help elderly people and people with disabilities meet their daily needs for help and improve the quality of their lives. Examples of LTSS include help with bathing, dressing, and other basic activities of daily life and self-care, as well as support for everyday tasks such as laundry, shopping, and transportation. LTSS are

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

provided over an extended period, usually in homes and communities, but also in nursing homes and other facilities.

LTSS benefits are offered to all plan enrollees as medically necessary. As a member, you can receive LTSS benefits through AmeriHealth Caritas VIP Care if the services are deemed medically necessary. Medical necessity is determined by an in-home assessment through our LTSS Care Coordination and Support Coordination teams. If you think you need LTSS, you can talk to your Care Coordinator about how to access them. Your Care Coordinator can give you information about the resources available to you under the plan. You can also contact Member Services at 1-844-964-4433 (TTY 711), 8 a.m. – 8 p.m., seven days a week. The call is free.

F. Behavioral health (mental health and substance use disorder) services

There are several ways to find a behavioral health provider. You can call Member Services at 1-844-964-4433 (**TTY 711**), The call is free. Member Services can help you find a mental health professional like a psychiatrist or other doctor who provides Medicare-covered mental health services.

You can also contact your Care Coordinator or search for a behavioral health provider in the *Provider and Pharmacy Directory*. The Pre-paid Inpatient Health Plan (PIHP) delivers Medicaid behavioral health services for our plan members. Search the printed directory or the online provider directory for “Pre-paid Inpatient Health Plan (PIHP).”

All Medicaid and Medicare behavioral health services are covered by your plan. All existing Medicare and Medicaid behavioral health services will continue to be provided for people currently receiving care and who enroll in MICH. Certain behavioral health services covered by Medicaid are managed by Michigan Pre-paid Inpatient Health Plans (PIHPs), organizations that the Michigan Department of Health and Human Services contracts with to administer Medicaid covered behavioral health benefits. All Medicaid covered Behavioral Health services not managed by the PIHPs and all behavioral health services covered by Medicare will be managed by us. If you have questions about behavioral health, contact your Care Coordinator.

G. How to get self-directed care

G1. What self-directed care is

You have the option to self-direct your services if you qualify. You would control a budget and have the right to hire and manage personal care workers and other providers.

G2. Who can get self-directed care (for example, if it's limited to waiver populations)

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Your care coordinator will work with you to determine whether you qualify for self-directed services.

G3. How to get help in employing personal care providers (if applicable)

Talk to your care coordinator if you think you need services that can be self-directed.

H. Transportation services

Non-emergency medical transportation is covered under AmeriHealth Caritas VIP Care. Nonemergency medical transportation is offered to all enrollees who have non emergent medical transportation needs such as attending doctors' appointments, going to the pharmacy, and getting physical therapy. To use this benefit, call Member Services at 1-844-964-4433 (TTY 711), 8 a.m. – 8 p.m., seven days a week. The call is free. You can also contact your Care Coordinator who can help you use your transportation benefit. Rides must be scheduled at least 24 hours in advance except in special circumstances. You should schedule transportation services immediately after arranging a planned doctor's visit. Transportation cannot be arranged more than 30 days in advance. Members have unlimited trips to plan approved locations.

You may also make arrangements to be reimbursed for mileage that you use for non-emergent medical trips. For more information on mileage reimbursement, call Member Services or contact your Care Coordinator. To be reimbursed for your mileage you must:

1. Ask to set up a mileage reimbursement trip.
2. Bring a Mileage Reimbursement Form to your appointment. Your provider must sign the form.
3. Complete the rest of the form. Be sure to fill in the number of miles for reimbursement.
4. Return the form to AmeriHealth Caritas VIP Care.

We may be able to help you get to your medical appointments and, if you qualify, may be able to help with transportation for other things. If you need help with transportation, talk to your care coordinator.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

I. Covered services in a medical emergency, when urgently needed, or during a disaster

11. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as illness, severe pain, serious injury, or a medical condition that's quickly getting worse. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your life and, if you're pregnant, loss of an unborn child; **or**
- loss of or serious harm to bodily functions; **or**
- loss of a limb or function of a limb; **or**
- In the case of a pregnant woman in active labor, when:
 - There isn't enough time to safely transfer you to another hospital before delivery.
 - A transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You **don't** need approval or a referral from your PCP. You don't need to use a network provider. You can get covered emergency medical care whenever you need it, anywhere in the U.S. or its territories or worldwide, from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, tell our plan about your emergency.** We follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay telling us. Call Member Services at the phone number listed at the bottom of the page.

Covered services in a medical emergency

Please be advised that Original Medicare generally does not cover health care, including emergency services, received outside the United States and its territories.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They'll continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we'll try to get network providers to take over your care as soon as possible.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

However, after the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider **or**
- The additional care you get is considered "urgently needed care" and you follow the rules for getting it. Refer to the next section.

12. Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or an unforeseen illness or injury.

Urgently needed care in our plan's service area

In most cases, we cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it isn't possible or reasonable to get to a network provider, given your time, place or circumstances we cover urgently needed care you get from an out-of-network provider.

If you need urgent care, but you are not sure if it is an emergency, call your PCP first. If you cannot reach your PCP, call the 24/7 Nurse Call Line at 1-855-843-1145 (**TTY 711**), 24 hours a day, seven days a week. This call is free. Your PCP or the nurse will help you decide if you need to go to the emergency room, go to the PCP's office, or go to an urgent care center near you.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Urgently needed care outside our plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

Our plan covers worldwide emergency and urgently needed care services outside the United States and its territories under the following circumstances: emergency services, including emergency or urgently needed care and emergency ambulance transportation from the scene of an emergency to the nearest medical treatment facility. Transportation back to the United States from another country is not covered. Pre-scheduled, pre-planned treatments (including dialysis for an ongoing condition) and/or elective procedures are not covered.

I3. Care during a disaster

If the governor of your state, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster: www.amerihealthcaritasvipcare.com/mi.

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill your drugs at an out-of-network pharmacy. Refer to **Chapter 5** of this *Member Handbook* for more information.

J. What if you're billed directly for covered services

If a provider sends you a bill instead of sending it to our plan, you should ask us to pay: the bill. If you paid for your covered services, refer to **Chapter 7** of this *Member Handbook* to find out what to do.

You shouldn't pay the bill yourself. If you do, we may not be able to pay you back.

J1. What to do if our plan doesn't cover services

Our plan covers all services:

- that are determined medically necessary, **and**
- that are listed in our plan's Benefits Chart (refer to **Chapter 4** of this *Member Handbook*), **and**

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- that you get by following plan rules.

If you get services that our plan doesn't cover, **you pay the full cost yourself**.

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we won't pay for your services, you have the right to appeal our decision.

Chapter 9 of this *Member Handbook* explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

K. Coverage of health care services in a clinical research study

K1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you want to take part in any Medicare-approved clinical research study, you **don't** need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study **don't** need to be network providers. This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study, covered for enrollees by Original Medicare, we encourage you or your care coordinator to contact Member Services to let us know you'll take part in a clinical trial.

K2. Payment for services when you're in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- an operation or other medical procedure that's part of the research study
- treatment of any side effects and complications of the new care

If you're part of a study that Medicare **hasn't** approved, you pay any costs for being in the study.

K3. More about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website (www.medicare.gov/sites/default/files/2019-09/02226-medicare-and-clinical-research-studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.

L. How your health care services are covered in a religious non-medical health care institution

L1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

L2. Care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're against getting medical treatment that's "non-excepted."

- "Non-excepted" medical treatment is any care or treatment that's **voluntary and not required** by any federal, state, or local law.
- "Excepted" medical treatment is any care or treatment that's **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers non-religious aspects of care.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- If you get services from this institution provided to you in a facility:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from us before you're admitted to the facility, or your stay **won't** be covered.

Medicare Inpatient Hospital coverage limits apply. See Inpatient Hospital Care in the Benefits Chart in Chapter 4 for more information.

M. Durable medical equipment (DME)

M1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You always own some DME items, such as prosthetics.

Other types of DME you must rent. As a member of our plan, you usually **won't** own the rented DME items, no matter how long you rent it.

In some limited situations, we transfer ownership of the DME item to you. Call Member Services at the phone number at the bottom of the page for more information.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you **won't** own the equipment.

M2. DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) plan, the plan can set the number of months people must rent certain types of DME before they own it.

You'll have to make 13 payments in a row under Original Medicare, or you'll have to make the number of payments in a row set by the MA plan, to own the DME item if:

- you didn't become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, **those Original Medicare or MA plan payments don't count toward the payments you need to make after leaving our plan.**

- You'll have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan

M3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare we cover:

- rental of oxygen equipment
- delivery of oxygen and oxygen contents
- tubing and related accessories for the delivery of oxygen and oxygen contents
- maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

M4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- oxygen equipment, supplies, and services for another 24 months
- oxygen equipment and supplies for up to 5 years if medically necessary

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new 5-year period begins.
- You rent from a supplier for 36 months.

- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

A. Your covered services and your out-of-pocket costs

This chapter tells you about services our plan covers. You can also learn about services that aren't covered. Information about drug benefits is in **Chapter 5** of this *Member Handbook*. This chapter also explains limits on some services.

Because you get help from Michigan Medicaid you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3** of this *Member Handbook* for details about our plan's rules.

If you need help understanding what services are covered, call Member Services at 1-844-964-4433 (TTY 711).

B. Rules against providers charging you for services

We don't allow our providers to bill you for in network covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7** of this *Member Handbook* or call Member Services.

C. About our plan's Benefits Chart

The Benefits Chart tells you the services our plan pays for. It lists covered services in alphabetical order and explains them.

**We pay for the services listed in the Benefits Chart when the following rules are met. **

- We provide covered Medicare and Michigan Medicaid covered services according to the rules set by Medicare and Michigan Medicaid.
- The services (*including medical care, behavioral health and substance use services, long-term services and supports, supplies, equipment, and drugs*) must be "medically necessary." Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.

- For new enrollees, for the first 90 days we may not require you to get approval in advance for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.
- You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you get from an out-of-network provider won't be covered unless it's an emergency or urgently needed care, or unless your plan or a network provider gave you a referral. Chapter 3 of this Member Handbook has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team providing and managing your care.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization (PA). We mark covered services in the Benefits Chart that need PA: with an asterisk (*):
- If your plan provides approval of a PA request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care based on coverage criteria, your medical history, and the treating provider's recommendations.

Home and Community-Based Services (HCBS) Waiver that our plan pays for	What you pay
Personal emergency response system The plan covers an electronic in-home device that secures help in an emergency. You may also wear a portable “help” button to allow for mobility. The system is connected to your phone and programmed to signal a response center once a “help” button is activated. Personal Emergency Response System (PERS) is a medical alert monitoring system that provides 24/7 access to help at the push of a button. We offer multiple styles, including a mobile-enabled wearable device. Benefit limited to one device per year.	\$0
Preventive nursing services The plan covers nursing services provided by a registered nurse (RN) or licensed practical nurse (LPN). You must require observation and evaluation of skin integrity, blood sugar levels, prescribed range of motion exercises, or physical status to qualify. You may get other nursing services during the nurse visit to your home. These services aren’t provided on a continuous basis.	\$0
Private Duty Nursing (PDN) The plan covers skilled nursing services on an individual and continuous basis, up to a maximum of 16 hours per day, to meet your health needs directly related to a physical disability. PDN includes the provision of nursing assessment, treatment and observation provided by licensed nurse, consistent with physician’s orders and in accordance with your plan of care. You must meet certain medical criteria to qualify for this service.	\$0

Home and Community-Based Services (HCBS) Waiver that our plan pays for	What you pay
Respite Care Services You may get respite care services on a short-term, intermittent basis to relieve your family or other primary caregiver(s) from daily stress and care demands during times when they're providing unpaid care. Relief needs of hourly or shift staff workers should be accommodated by staffing substitutions, plan adjustments, or location changes and not by respite care. Respite isn't intended to be provided on a continuous, long-term basis where it's a part of daily services that would enable an unpaid caregiver to work elsewhere full time.	\$0

E. Benefits covered outside of our plan

We don't cover the following services, but they're available through Michigan Medicare

Services covered by the plan or Prepaid Inpatient Health Plan (PIHP)

The following services are covered by AmeriHealth Caritas VIP Care but are available through the Prepaid Inpatient Health Plan (PIHP) and its provider network.

Inpatient behavioral health care

- The plan will pay for behavioral health care services that require a hospital stay.

Outpatient substance use disorder services

- We'll pay for treatment services that are provided in the outpatient department of a hospital if you, for example, have been discharged from an inpatient stay for the treatment of drug substance abuse or if you require treatment but don't require the level of services provided in the inpatient hospital setting. Refer to coverage for Opioid treatment program (OTP) services in The Benefits Chart in **Section D**.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Partial hospitalization services

- Partial hospitalization is a structured program of active psychiatric treatment. It's offered as hospital outpatient service or by a community mental health center. It's more intense than the care you get in your doctor's or therapist's office. It can help keep you from having to stay in the hospital.

If you're receiving services through the PIHP, please refer to the separate PIHP *Member Handbook* for more information and work with your Care Coordinator to get services provided through the PIHP.

F. Benefits not covered by our plan, Medicare, or Michigan Medicaid

This section tells you about benefits excluded by our plan. "Excluded" means that we don't pay for these benefits. Medicare and Medicaid don't pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases.

We don't pay for excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under specific conditions listed. Even if you get the services at an emergency facility, the plan won't pay for the services. If you think that our plan should pay for a service that isn't covered, you can request an appeal. For information about appeals, refer to **Chapter 9** of this *Member Handbook*.

In addition to any exclusions or limitations described in the Benefits Chart, our plan doesn't cover the following items and services:

- services considered not "reasonable and medically necessary", according Medicare and Michigan Medicaid standards, unless we list these as covered services
- experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of this *Member Handbook* for more information on clinical research studies. Experimental treatment and items are those that aren't generally accepted by the medical community.
- surgical treatment for morbid obesity, except when medically necessary and Medicare pays for it
- a private room in a hospital, except when medically necessary
- private duty nurses

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- personal items in your room at a hospital or a nursing facility, such as a telephone or television
- full-time nursing care in your home
- fees charged by your immediate relatives or members of your household
- elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance), except when medically necessary
- cosmetic surgery or other cosmetic work, unless it's needed because of an accidental injury or to improve a part of the body that isn't shaped right. However, we pay for reconstruction of a breast after a mastectomy and for treating the other breast to match it
- chiropractic care, other than manual manipulation of the spine consistent with coverage guidelines
- routine foot care, except as described in Podiatry services in the Benefits Chart in **Section D**
- orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease
- supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease
- radial keratotomy, LASIK surgery, and other low-vision aids
- reversal of sterilization procedures and non-prescription contraceptive supplies
- naturopath services (the use of natural or alternative treatments)
- services provided to veterans in Veterans Affairs (VA) facilities. However, when a veteran gets emergency services at a VA hospital and the VA cost-sharing is more than the cost-sharing under our plan, we'll reimburse the veteran for the difference. You're still responsible for your cost-sharing amounts.

Chapter 5: Getting your outpatient drug plan

Introduction

This chapter explains rules for getting your outpatient drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Michigan Medicaid. **Chapter 6** of this *Member Handbook* tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

We also cover the following drugs, although they're not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you're in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you're given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you're in Medicare hospice. For more information, please refer to **Chapter 5, Section D** "If you're in a Medicare-certified hospice program."

Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section.

You must have a provider (doctor, dentist, or other prescriber) write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your PCP has referred you for care.

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists or any similar Medicaid lists.

You generally must use a network pharmacy to fill your prescription (Refer to **Section A1** for more information). Or you can fill your prescription through the plan's mail-order service.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Your prescribed drug must be on our plan's *List of Covered Drugs*. We call it the “*Drug List*” for short. (Refer to **Section B** of this chapter.)

- If it isn't on the *Drug List*, we may be able to cover it by giving you an exception.
- Refer to **Chapter 9** to learn about asking for an exception.

Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help identify medical references to support the requested use of the prescribed drug. Certain drugs and items on the *List of Covered Drugs* are required to be covered by Michigan Medicaid while others are specifically excluded. The covered items have been approved as having medically accepted indications by the state, while those that are excluded have not.

Your drug may require approval from our plan based on certain criteria before we'll cover it. (Refer to **Section C** in this chapter.)

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies. (Refer to **Section A8** for information about when we cover prescriptions filled at out-of-network pharmacies.)

To find a network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website or contact Member Services or your care coordinator.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy bills us for our share of the cost of your covered drug. You may need to pay the pharmacy a copay when you pick up your prescription.

If you don't have your Member ID Card with you when you fill your prescription, ask the pharmacy to call us to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back for our share. **If you can't pay for the drug, contact Member Services right away.** We'll do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of this *Member Handbook*.
- If you need help getting a prescription filled, contact your Care Coordinator or Member Services.

A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services or your care coordinator.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
 - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy isn't in our network or you have difficulty getting your drugs in a long-term care facility, contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.) To find a specialized pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. Drugs **not** available through our plan's mail-order service are marked with "NMO" in our *Drug List*.

Our plan's mail-order service allows you to order at least a 61--day supply of the drug and no more than a 100-day supply. A 61-100-day supply has the same copay as a one-month supply.

Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, please contact Member Services or visit the plan website. If you use a mail-order pharmacy not in the plan's network, your prescription will not be covered.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

Usually, a mail-order prescription arrives within 10 business days. However, sometimes your mail order may be delayed. If you experience a delay, please contact Walgreens Mail Service at **1-800-345-1985 (TTY 711)**, 24 hours a day, seven days a week.

If you need your medication urgently and cannot wait 10 business days to get your order, please contact Walgreens Mail Service at **1-800-345-1985 (TTY 711)**, 24 hours a day, seven days a week, to avoid a gap in medication therapy.

- When calling Walgreens Mail Service with an urgent request, follow the instructions to be connected to a representative. Be prepared to answer a few identifying questions. You will then be connected to a representative.
- Tell the Walgreens Mail Service representative that you have less than a 10-day supply of medication and need your order expedited (rush delivery). The Customer Care Center representative will discuss available options with you.
- Let the representative know the following information:
 - Your name, address, phone number, date of birth, medication name(s), medication dosage(s), how many days of the medication(s) you have left, the name of the person(s) who prescribed the medication(s), and your insurance.
- The Customer Care Center will offer shipping options available to help rush a medication order to you. The Customer Care Center representative will confirm the following information with you: 1) the option you chose for getting a rush order, 2) your mailing address, 3) your method of payment (if there is a payment), 4) the potential estimated time of arrival, and 5) an order number for reference and confirmation.
- A rush order can include overnight shipping to 3-day shipping. The shipping method depends on how much medication you have left and when you contact the Walgreens Mail Service Customer Care Center. For next-day delivery, you will need to contact the Walgreens Mail Service by 2 p.m., Mountain Time, Monday through Friday.
- Walgreens Mail Service may need to contact the person who prescribed the medication or your insurance if your prescription has expired, if authorization is needed, or for other reasons. This kind of information might be needed before the order is shipped to you.
- The Walgreens Mail Service may also be able to arrange for you to get a short-term supply while you are waiting for your mail order. You can ask the Walgreens Mail Service Customer Care representative about getting a short-term supply.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

- If you do not get your medication mail order when Walgreens Mail Service says it will arrive, call the Walgreens Mail Service at 1-800-345-1985 (TTY 711). Follow the instructions to be connected to a representative. Be prepared to answer a few identifying questions. You will then be connected to a representative
- Note that not every medication will be eligible for mail order.

Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

2. New prescriptions the pharmacy gets from your provider's office

The pharmacy automatically fills and delivers new prescriptions it gets from health care providers, without checking with you first, if:

- You used mail-order services with our plan in the past, **or**
- You sign up for automatic delivery of all new prescriptions you get directly from health care providers. You may ask for automatic delivery of all new prescriptions now or at any time by contacting the mail order pharmacy prior to getting your first prescription filled.

If you get a prescription automatically by mail that you don't want, and you weren't contacted to find out if you wanted it before it shipped, you may be eligible for a refund.

If you used mail-order in the past and don't want the pharmacy to automatically fill and ship each new prescription, contact us by phone. Member Services can assist you with this request or contact the mail order pharmacy to let them know that you do not want your prescription automatically filled and shipped.

If you never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy contacts you each time it gets a new prescription from a health care provider to find out if you want the medication filled and shipped immediately.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allows you to cancel or delay the order before you're billed and it's shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

To opt out of automatic deliveries of new prescriptions you get directly from your health care provider's office, contact us by phone. Member Services can assist you with this request or contact the mail order pharmacy to let them know that you do not want your prescription automatically filled and shipped.

3. Refills on mail-order prescriptions

For refills, contact your pharmacy 14 days before your current prescription will run out to make sure your next order is shipped to you in time.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping. In order for the mail-order pharmacy to reach you, they must have a valid telephone number on file for you. You can ensure your information is up to date with your mail order pharmacy by telephone, on their website, or with the refill slip that is provided with each refill order.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's *Drug List*. Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition. When you get a long-term supply of drugs, your copay may be lower.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 61-100-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

For certain kinds of drugs, you can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** to learn about mail-order services.

A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. In these cases, check with Member Services first to find out if there's a network pharmacy nearby.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

- If the prescriptions are related to care for a medical emergency or urgent care.
- If you are unable to obtain a covered drug in a timely manner within our service area because there are no network pharmacies within a reasonable driving distance that provide 24-hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail order pharmacy (including high cost and unique drugs).
- If it is one of the covered drugs that can be administered in the doctor's office.
- When it is declared a disaster or state of emergency by the government, we allow access to out-of-network facilities to prevent an interruption in service.

A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost instead of a copay when you get your prescription. You can ask us to pay you back for our share of the cost.

To learn more about this, refer to **Chapter 7** of this *Member Handbook*.

B. Our plan's *Drug List*

We have a *List of Covered Drugs*. We call it the "*Drug List*" for short.

We select the drugs on the *Drug List* with the help of a team of doctors and pharmacists. The *Drug List* also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's *Drug List* when you follow the rules we explain in this chapter.

B1. Drugs on our *Drug List*

Our *Drug List* includes drugs covered under Medicare Part D and some prescription and over-the-counter (OTC) drugs and products covered under Michigan Medicaid.

Our *Drug List* includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On our *Drug List*, when we refer to "drugs" this could mean a drug or a biological product.

Generic drugs have the same active ingredients as brand name drugs. Biological products have alternatives called biosimilars. Generally, generic drugs and biosimilars work just as well as

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

brand name or original biological products and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Refer to **Chapter 12** for definitions of the types of drugs that may be on the *Drug List*.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on our *Drug List*

To find out if a drug you take is on our *Drug List*, you can:

- Visit our plan's website at www.amerihealthcaritasvipcare.com/mi. The *Drug List* on our website is always the most current one.
- Call your care coordinator or Member Services to find out if a drug is on our *Drug List* or to ask for a copy of the list.

Use our “Real Time Benefit Tool” at www.amerihealthcaritasvipcare.com/mi to search for drugs on the *Drug List* to get an estimate of what you'll pay and if there are alternative drugs on the *Drug List* that could treat the same condition. You can also call Member Services.

B3. Drugs not on our *Drug List*

We don't cover all drugs.

- Some drugs aren't on our *Drug List* because the law doesn't allow us to cover those drugs.
- In other cases, we decided not to include a drug on our *Drug List*.
- In some cases, you may be able to get a drug that isn't on our *Drug List*. For more information refer to **Chapter 9**.

Our plan doesn't pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of this *Member Handbook* for more information about appeals.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Medicare Part D and Michigan Medicaid drugs) can't pay for a drug that Medicare Part A or Medicare Part B already

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren't considered part of your outpatient drug benefits.

2. Our plan can't cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor or other provider may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called "off-label use." Our plan usually doesn't cover drugs prescribed for off-label use.

Also, by law, Medicare or Michigan Medicaid can't cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Some prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for the treatment of anorexia, weight loss or weight gain
- Outpatient drugs made by a company that says you must have tests or services done only by them

B4. *Drug List* cost-sharing tiers

Every drug on our *Drug List* is in one of 9 tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or OTC drugs). In general, the higher the cost-sharing tier, the higher your cost for the drug.

- Tier 1 drugs are Preferred Generic drugs. You pay 25% coinsurance for your drug. If you have Extra Help, you may pay \$0 to \$12.65 depending on your income.
- Tier 2 drugs are Generic drugs. You pay 25% coinsurance for your drug. If you have Extra Help, you may pay \$0 to \$12.65 depending on your income.
- Tier 3 drugs are Preferred Brand drugs. You pay 25% coinsurance for your drug. If you have Extra Help, you may pay \$0 to \$12.65 depending on your income.

- Tier 4 drugs are Non-preferred drugs. You pay 25% for your drug. If you have Extra Help, you may pay \$0 to \$12.65 depending on your income.
- Tier 5 are Specialty drugs. You pay 25% coinsurance for your drug. If you have Extra Help, you may pay \$0 to \$12.65 depending on your income.
- Tier 6 are Select Care drugs. You pay \$0 copay for generic drugs and vaccines.
- Tier 9 are Medicaid-covered drugs.

To find out which cost-sharing tier your drug is in, look for the drug on our *Drug List*.

Chapter 6 of this *Member Handbook* tells the amount you pay for drugs in each tier.

C. Limits on some drugs

For certain drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

Note that sometimes a drug may appear more than once in our *Drug List*. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your provider, and different restrictions may apply to the different versions of the drugs (for example, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid.)

If there's a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule shouldn't apply to your situation, ask us to use the coverage decision process to make an exception. We may or may not agree to let you use the drug without taking extra steps.

To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

1. Limiting use of a brand name drug or original biological products when respectively, a generic or interchangeable biosimilar version is available

Generally, a generic drug or interchangeable biosimilar works the same as a brand name drug or original biological product and usually costs less. In most cases, if there's a generic or interchangeable biosimilar version of a brand name drug [*insert as applicable*: or original biological product available, our network pharmacies give you respectively, the generic or interchangeable biosimilar version.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

- We usually don't pay for the brand name drug or original biological product when there's an available generic version.
- However, if your provider told us the medical reason that the generic drug [or interchangeable biosimilar won't work for you **or** wrote "No substitutions" on your prescription for a brand name drug or original biological product **or** told us the medical reason that the generic drug interchangeable biosimilar, or other covered drugs that treat the same condition won't work for you, then we cover the brand name drug.
- Your copay may be greater for the brand name drug or original biological product than for the generic drug or interchangeable biosimilar.

2. Getting plan approval in advance

For some drugs, you or your prescriber must get approval from our plan before you fill your prescription. This is called prior authorization. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get approval, we may not cover the drug. Call Member Services at the number at the bottom of the page or on our website at www.amerihealthcaritasvipcare.com/mi for more information about prior authorization.

3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A doesn't work for you, then we cover Drug B. This is called step therapy. Call Member Services at the number at the bottom of the page or on our website at www.amerihealthcaritasvipcare.com/mi for more information about step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, if it's normally considered safe to take only one pill per day for a certain drug, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our *Drug List*. For the most up-to-date information, call Member Services or check our website at www.amerihealthcaritasvipcare.com/mi If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of this *Member Handbook*.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our *Drug List*. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.
- The drug is covered, but in a cost-sharing tier that makes your cost more expensive than you think it should be.

There are things you can do if we don't cover a drug the way you want us to cover it.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug isn't on our *Drug List* or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:

- is no longer on our *Drug List* **or**
- was never on our *Drug List* **or**
- is now limited in some way.

2. You must be in one of these situations:

- You were in our plan last year.
 - We cover a temporary supply of your drug during the first 90 days of the calendar year.
 - This temporary supply is for up to 30 days.

- If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
- Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You're new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You've been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
 - We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.
 - Members who have a change in level of care (setting) will be allowed up to a one-time 30-day transition supply per drug. For example, members who:
 - Enter LTC facilities from hospitals are sometimes accompanied by a discharge list of medications from the hospital formulary, with very short-term planning taken into account (often under eight hours).
 - Are discharged from a hospital to a home.
 - End their skilled nursing facility Medicare Part A stay (where payments include all pharmacy and charges) and who need to revert to their Part D plan formulary.
 - End an LTC facility stay and return to the community.

D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that isn't on our *Drug List* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

For Michigan Medicaid drugs:

You're new to the plan.

We'll cover a supply of your Michigan Medicaid drug for up to 90 calendar days after enrollment and won't terminate it at the end of the 90 calendar days without advance notice to you and a transition to another drug, if needed.

D3. Asking for an exception

If a drug you take will be taken off our *Drug List* or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug for next year the way you would like.
- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).
- If we approve your request, we'll authorize coverage for the drug before the change takes effect.

To learn more about asking for an exception, refer to **Chapter 9** of this *Member Handbook*.

If you need help asking for an exception, contact your Care Coordinator or Member Services.

E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our *Drug List* during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior approval (PA) for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).
- Replace an original biological product with an interchangeable biosimilar version of the biological product.

We must follow Medicare requirements before we change our plan's *Drug List*. For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally won't remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on our *Drug List* now, **or**
- we learn that a drug isn't safe, **or**
- a drug is removed from the market.

What happens if coverage changes for a drug you're taking?

To get more information on what happens when our *Drug List* changes, you can always:

- Check our current *Drug List* online at www.amerihealthcaritasvipcare.com/mi **or**
- Call Member Services at the number at the bottom of the page to check our current *Drug List*.

Changes we may make to the *Drug List* that affect you during the current plan year

Some changes to the *Drug List* will happen immediately. For example:

- A new generic drug becomes available. Sometimes, a new generic drug or biosimilar comes on the market that works as well as a brand name drug or

original biological product on the *Drug List* now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same or will be lower.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
- You or your provider can ask for an "exception" from these changes. We'll send you a notice with the steps you can take to ask for an exception. Please refer to **Chapter 9** of this handbook for more information on exceptions.

Removing unsafe drugs and other drugs that are taken off the market. Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off our *Drug List*. If you're taking the drug, we'll send you a notice after we make the change. If you are taking the drug, we will send you a notice after we make the change. Your provider will also know about this change. Please contact your provider, who will work with you to find another drug for your condition.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our *Drug List* **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there's a similar drug on our *Drug List* you can take instead **or**
- If you should ask for an exception from these changes to continue covering the drug or the version of the drug you've been taking. To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

Changes to the *Drug List* that don't affect you during this plan year

We may make changes to drugs you take that aren't described above and don't affect you now. For such changes, if you're taking a drug we covered at the **beginning** of the year, we generally don't remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you're taking increase what you pay for the drug or limit its use, then the change doesn't affect your use of the drug or what you pay for the drug for the rest of the year.

If any of these changes happen for a drug you're taking (except for the changes noted in the section above), the change won't affect your use until January 1 of the next year.

We won't tell you about these types of changes directly during the current year. You'll need to check the *Drug List* for the next plan year (when the list is available during the open enrollment period) to see if there are any changes that will impact you during the next plan year.

F. Drug coverage in special cases

F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you're admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your drugs during your stay. You won't pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

To learn more about drug coverage and what you pay, refer to **Chapter 6** of this *Member Handbook*.

F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your drugs through the facility's pharmacy if it's part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it isn't or if you need more information, contact Member Services.

F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require certain drugs (e.g., pain, anti-nausea drugs, laxative, or anti-anxiety drugs) that your hospice doesn't cover because it isn't related to your terminal prognosis and conditions. In that

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.

- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of this *Member Handbook* for more information about the hospice benefit.

G. Programs on drug safety and managing drugs

G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- may not be needed because you take another similar drug that does the same thing
- may not be safe for your age or gender
- could harm you if you take them at the same time
- have ingredients that you are or may be allergic to
- may be an error in the amount (dosage)
- have unsafe amounts of opioid pain medications

If we find a possible problem in your use of drugs, we work with your provider to correct the problem.

G2. Programs to help you manage your drugs

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

- how to get the most benefit from the drugs you take
- any concerns you have, like medication costs and drug reactions
- how best to take your medications
- any questions or problems you have about your prescription and over-the-counter medication

Then, they'll give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you don't want to be in the program, let us know, and we'll take you out of it.

If you have questions about these programs, contact Member Services or your care coordinator.

G3. Drug management program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescribers or pharmacies or if you had a recent opioid overdose, we may talk to your prescriber to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescriber, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may include:

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi

- Requiring you to get all prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we'll cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we'll limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

You'll have a chance to tell us which prescribers or pharmacies you prefer to use and any information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter that confirms the limitations.

If you think we made a mistake, you disagree with our decision or the limitation, you and your prescriber can make an appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your appeal related to limitations that apply to your access to medications, we'll automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of this *Member Handbook*.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

Chapter 6: What you pay for your Medicare and Michigan Medicaid drugs

Introduction

This chapter tells what you pay for your outpatient drugs. By “drugs,” we mean:

- Medicare Part D drugs, **and**
- Drugs and items covered under Medicaid, **and**
- Drugs and items covered by our plan as additional benefits.

Because you’re eligible for Michigan Medicaid, you get Extra Help from Medicare to help pay for your Medicare Part D drugs. We have sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services and ask for the “LIS Rider.”

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

To learn more about drugs, you can look in these places:

- Our *List of Covered Drugs*.
 - We call this the *Drug List*. It tells you:
 - Which drugs we pay for
 - Which of the 9 tiers each drug is in
 - If there are any limits on the drugs
 - If you need a copy of our *Drug List*, call Member Services. You can also find the most current copy of our *Drug List* on our website at www.amerihealthcaritasvipcare.com/mi.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- **Chapter 5** of this *Member Handbook*.
 - It tells how to get your outpatient drugs through our plan.
 - It includes rules you need to follow. It also tells which types of drugs our plan doesn't cover.
 - When you use the plan's "Real Time Benefit Tool" to look up drug coverage (refer to **Chapter 5, Section B2**), the cost shown is an estimate of the out-of-pocket costs you're expected to pay. You can call your care coordinator or Member Services for more information.
- Our *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that agree to work with us.
 - The *Provider and Pharmacy Directory* lists our network pharmacies. Refer to **Chapter 5** of this *Member Handbook* more information about network pharmacies.

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your drug costs and the payments you make when you get prescriptions at the pharmacy. We track two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It includes what our plan paid, and what other programs or organizations paid for your covered Part D drugs.

When you get drugs through our plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB isn't a bill. The EOB has more information about the drugs you take such as increases in price and other drugs with lower cost sharing that may be available. You can talk to your prescriber about these lower cost options. The EOB includes:

- **Information for the month**. The summary tells what drugs you got for the previous month. It shows the total drug costs, what we paid, and what you and others paid for you.
- **Totals for the year since January 1**. This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information**. This is the total price of the drug and changes in the drug price since the first fill for each prescription claim of the same quantity.
- **Lower cost alternatives**. When applicable, information about other available drugs with lower cost sharing for each prescription.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs don't count towards your total out-of-pocket costs.
- We also pay for some over-the-counter drugs. You don't have to pay anything for these drugs.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- To find out which drugs our plan covers, refer to our *Drug List*. In addition to the drugs covered under Medicare, some prescription and over-the-counter drugs are covered under Michigan Medicaid. These drugs are included in the *Drug List*.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

Give us copies of receipts for covered drugs that you paid for. You can ask us to pay you back for: our share of the cost of the drug.

Here are examples of when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or use a discount card that isn't part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug under special circumstances

For more information about asking us to pay you back for our share of the cost of a drug, refer to **Chapter 7** of this *Member Handbook*.

3. Send us information about payments others make for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by a State Pharmaceutical Assistance Program, an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs. This can help you qualify for catastrophic coverage. When you reach the Catastrophic Coverage Stage, our plan pays all of the costs of your Medicare Part D drugs for the rest of the year.

4. Check the EOBs we send you.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

When you get an EOB in the mail, make sure it's complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts? Do the drugs match what your doctor prescribed?

What if you find mistakes on this summary?

If something is confusing or doesn't seem right on this EOB, please call us at AmeriHealth Caritas VIP Care Member Services. You can also find answers to many questions on our website: www.amerihealthcaritasvipcare.com/mi.

What about possible fraud?

If this summary shows drugs you're not taking or anything else that seems suspicious to you, please contact us.

- Call us at AmeriHealth Caritas VIP Care Member Services.
- Or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free.
- Michigan you can report fraud by calling toll free at 855-MI-FRAUD (643-7283) Monday - Friday, 8:00 am to 5:00 pm. You can also submit an online complaint at www.michigan.gov/mdhhs/doing-business/providers/providers/billingreimbursement/report-medicare-fraud-and-abuse and you may find information on our website at www.michigan.gov/mdhhs/inside-mdhhs/office-of-inspector-general/contact-us, or you can write to the inspector general at Office of Inspector General PO Box 30062 Lansing, MI 48909.

If you think something is wrong or missing, or if you have any questions, call your care coordinator or Member Services. Keep these EOBs. They're an important record of your drug expenses.

C. Drug Payment Stages for Medicare Part D drugs or long-term supply of drugs

There are two payment stages for your Medicare Part D drug coverage under our plan. How much you pay for each prescription depends on which stage you're in when you get a prescription filled or refilled. These are the two stages:

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Stage 1: Initial Coverage Stage	Stage 2: Catastrophic Coverage Stage
During this stage, we pay part of the costs of your drugs, and you pay your share. Your share is called the copay. You begin in this stage when you fill your first prescription of the year.	During this stage, we pay all of the costs of your drugs through December 31, 2026 You begin this stage when you've paid a certain amount of out-of-pocket costs.

C1. Our plan has 9 cost sharing tiers

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our *Drug List* is in one of 9 cost-sharing tiers. In general, the higher the tier number, the higher the copay. To find the cost-sharing tiers for your drugs, refer to our *Drug List*.

- Tier 1 drugs are Preferred Generic drugs. You pay 25% coinsurance for your drug. If you have Extra Help, you may pay \$0 to \$12.65 depending on your income.
- Tier 2 drugs are Generic drugs. You pay 25% coinsurance for your drug. If you have Extra Help, you may pay \$0 to \$12.65 depending on your income.
- Tier 3 drugs are Preferred Brand drugs. You pay 25% coinsurance for your drug. If you have Extra Help, you may pay \$0 to \$12.65 depending on your income.
- Tier 4 drugs are Non-preferred drugs. You pay 25% for your drug. If you have Extra Help, you may pay \$0 to \$12.65 depending on your income.
- Tier 5 are Specialty drugs. You pay 25% coinsurance for your drug. If you have Extra Help, you may pay \$0 to \$12.65 depending on your income.
- Tier 6 are Select Care drugs You pay \$0 copay for generic stars drugs and vaccines.
- Tier 9 are Medicaid-covered drugs.

C2. Your pharmacy choices

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our plan's *Drug List* is in one of 9 cost-sharing tiers. In general, the higher the tier number, the higher the copay. To find the cost-sharing tiers for your drugs, refer to our *Drug List*.

D4. End of the Initial Coverage Stage

The Initial Coverage Stage ends when your total out-of-pocket costs reach \$2,100. At that point, the Catastrophic Coverage Stage begins. We cover all your drug costs from then until the end of the year.

Your EOB helps you keep track of how much you've paid for your drugs during the year. We let you know if you reach the \$2,100 limit. Many people don't reach it in a year.

E. Stage 2: The Catastrophic Coverage Stage

When you reach the out-of-pocket limit of \$2,100 for your drugs, the Catastrophic Coverage Stage begins. You stay in the Catastrophic Coverage Stage until the end of the calendar year. During this stage, you pay nothing for your Part D covered drugs.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

F. Your drug costs if your doctor prescribes less than a full month's supply

Usually, you pay a copay to cover a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs. However, your doctor can prescribe less than a month's supply of drugs.

- There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you're trying a drug for the first time).
- If your doctor agrees, you don't pay for the full month's supply for certain drugs.

When you get less than a month's supply of a drug, the amount you pay is based on the number of days of the drug that you get. We calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you get.

- Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7 days' supply of the drug, your payment is less than \$.05 per day multiplied by 7 days, for a total payment less than \$0.35.
- Daily cost-sharing allows you to make sure a drug works for you before you pay for an entire month's supply.
- You can also ask your provider to prescribe less than a full month's supply of a drug to help you:
 - Better plan when to refill your drugs,
 - Coordinate refills with other drugs you take, **and**
 - Take fewer trips to the pharmacy.

G. What you pay for Part D vaccines

Important message about what you pay for vaccines: Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in our *Drug List*. Our plan covers most adult Medicare Part D vaccines at no cost to you. Refer to your plan's *Drug List* or contact Member Services for coverage and cost sharing details about specific vaccines.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

There are two parts to our coverage of Medicare Part D vaccines:

1. The first part is for the cost of the vaccine itself.
2. The second part is for the cost of giving you the vaccine. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

G1. What you need to know before you get a vaccine

We recommend that you call your care coordinator or Member Services if you plan to get a vaccine.

- We can tell you about how our plan covers your vaccine.

Chapter 7: Asking us to pay our share of a bill you got for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you don't agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

Table of Contents

A. Asking us to pay for your services or drugs	2
B. Sending us a request for payment.....	5
C. Coverage decisions.....	5
D. Appeals	6

A. Asking us to pay for your services or drugs

Our network providers must bill the plan for your covered services and drugs after you get them. A network provider is a provider who works with the health plan.

We don't allow AmeriHealth Caritas VIP Care providers to bill you for these services or drugs. We pay our providers directly, and we protect you from any charges.

If you get a bill for: the full cost of health care or drugs, don't pay the bill and send the bill to us. To send us a bill, refer to Section B.

- If we cover the services or drugs, we'll pay the provider directly.
- If we cover the services or drugs and you already paid more than your share of the cost; it's your right to be paid back.
 - If you paid for services covered by Medicare, we'll pay you back.
 - If you paid for services covered by Michigan Medicaid we can't pay you back, but the provider will. Member Services or your care coordinator and/or ombudsperson can help you contact the provider's office. Refer to the bottom of the page for the Member Services phone number.
- If we don't cover the services or drugs, we'll tell you.

Contact your Care Coordinator or Member Services if you have any questions. If you don't know what you should've paid, or if you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Examples of times when you may need to ask us to pay you back or to pay a bill you got include:

1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back for our share of the cost. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we'll pay the provider directly.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- If you already paid more than your share of the cost for the Medicare service, we'll figure out how much you owed and pay you back for our share of the cost.

2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you get any services or prescriptions. But sometimes they make mistakes and ask you to pay for your services or more than your share of the costs. **Call your Care Coordinator or Member Services** at the number at the bottom of this page **if you get any bills.**

- Because we pay the entire cost for your services, you aren't responsible for paying any costs. Providers shouldn't bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We'll contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We'll pay you back for your covered services.

3. If you're retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

4. When you use an out-of-network pharmacy to fill a prescription

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we'll cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- Refer to **Chapter 5** of this *Member Handbook* to learn more about out-of-network pharmacies.
- We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the full Medicare Part D prescription cost because you don't have your Member ID Card with you

If you don't have your Member ID Card with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full Medicare Part D prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs (Drug List)* on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.
 - If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of this *Member Handbook*).
 - If you and your doctor or other prescriber think you need the drug right away, (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of this *Member Handbook*).
- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for our share of the cost of the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a "coverage decision." If we decide the service or drug should be covered, we pay for our share of the cost of it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of this *Member Handbook*.

B. Sending us a request for payment

Send us your bill and proof of any payment you made for Medicare services or call us. Proof of payment can be a copy of the check you wrote or a receipt from the provider.

It's a good idea to make a copy of your bill and receipts for your records.: You can ask your care coordinator for help. You must send your information to us within 365 days of the date you received the service, item, or drug.

To make sure you give us all the information we need to decide, you can fill out our claim form to ask for payment.

- You aren't required to use the form, but it helps us process the information faster.
- You can get the form on our website (www.amerihealthcaritasvipcare.com/mi), or you can call Member Services and ask for the form.

Mail your request for payment together with any bills or receipts to this address:

For Medical Services:	For Drugs:
AmeriHealth Caritas VIP Care P.O. Box 7075 London, KY 40742-7075	PerformRx/Michigan Attention: Direct Member Reimbursement P.O. Box 516 Essington, PA 19029

C. Coverage decisions

When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug. We also decide the amount of money, if any, you must pay.

- We'll let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we'll pay our share of the cost for it. If you already paid for the service or drug, we'll mail you a check for: what you paid **or** our share of the cost]. If you paid the full cost of a drug, you might not be reimbursed the full

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid is higher than our negotiated price). If you haven't paid, we'll pay the provider directly.

Chapter 3 of this *Member Handbook* explains the rules for getting your services covered. **Chapter 5** of this *Member Handbook* explains the rules for getting your Medicare Part D drugs covered.

- If we decide not to pay for our share of the cost of the service or drug, we'll send you a letter with the reasons. The letter also explains your rights to make an appeal.
- To learn more about coverage decisions, refer to **Chapter 9**

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called "making an appeal." You can also make an appeal if you don't agree with the amount we pay.

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of this *Member Handbook*: To make an appeal about getting paid back for a health care service, refer to **Section F**

- To make an appeal about getting paid back for a drug, refer to **Section G**

B. Our responsibility for your timely access to covered services and drugs

You have rights as a member of our plan.

- You have the right to choose a primary care provider (PCP) in our network. A network provider is a provider who works with us. You can find more information about what types of providers may act as a PCP and how to choose a PCP in **Chapter 3** of this *Member Handbook*.
 - Call Member Services or go to the *Provider and Pharmacy Directory* to learn more about network providers and which doctors are accepting new patients.
- [You have the right to a women's health specialist without getting a referral. A referral is approval from your PCP to use a provider that isn't your PCP.
- You have the right to get covered services from network providers within a reasonable amount of time.
 - This includes the right to get timely services from specialists.
 - If you can't get services within a reasonable amount of time, we must pay for out-of-network care.
- You have the right to get emergency services or care that's urgently needed without prior approval (PA).
- You have the right to get your prescriptions filled at any of our network pharmacies without long delays.
- You have the right to know when you can use an out-of-network provider. To learn about out-of-network providers, refer to **Chapter 3** of this *Member Handbook*.
- You have the right to be treated courteously and respectfully by the plan's staff.

Chapter 9 of this *Member Handbook* tells what you can do if you think you aren't getting your services or drugs within a reasonable amount of time. It also tells what you can do if we denied coverage for your services or drugs and you don't agree with our decision.

C. Our responsibility to protect your personal health information (PHI)

We protect your PHI as required by federal and state laws.

Your PHI includes the personal information you gave us when you enrolled in our plan. It also includes your medical records and other medical and health information.

You have rights when it comes to your information and controlling how your PHI is used. We give you a written notice that tells about these rights and explains how we protect the privacy of your PHI. The notice is called the “Notice of Privacy Practice.”

C1. How we protect your PHI

We make sure that no unauthorized people look at or change your records.

Except for the cases noted below, we don’t give your PHI to anyone not providing your care or paying for your care. If we do, we must get written permission from you first. You, or someone legally authorized to make decisions for you, can give written permission.

Sometimes we don’t need to get your written permission first. These exceptions are allowed or required by law:

- We must release PHI to government agencies checking on our plan’s quality of care.
- We must release PHI by court order.
- We must give Medicare your PHI including information about your Medicare Part D drugs. If Medicare releases your PHI for research or other uses, they do it according to federal laws. Michigan Medicaid may disclose your information without your permission for purposes of treatment, payment, health care operations or when required by law to do so.

C2. Your right to look at your medical records

- You have the right to look at your medical records and to get a copy of your records.
- You have the right to ask us to update or correct your medical records. If you ask us to do this, we work with your health care provider to decide if changes should be made.
- You have the right to know if and how we share your PHI with others for any purposes that aren’t routine.

If you have questions or concerns about the privacy of your PHI, call Member Services.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

D. Our responsibility to give you information

We will provide written materials in Arabic and Spanish at your request. We can also give you information in large print, braille, or audio.

If you want information about any of the following, call Member Services:

- How to choose or change plans
- Our plan, including:
 - financial information
 - how plan members have rated us
 - the number of appeals made by members
 - how to leave our plan
- Our network providers and our network pharmacies, including:
 - how to choose or change primary care providers
 - qualifications of our network providers and pharmacies
 - how we pay providers in our network
- Covered services and drugs, including:
 - services (refer to **Chapters 3 and 4** of this *Member Handbook*) and drugs (refer to **Chapters 5 and 6** of this *Member Handbook*) covered by our plan
 - limits to your coverage and drugs
 - rules you must follow to get covered services and drugs
- Why something isn't covered and what you can do about it (refer to **Chapter 9** of this *Member Handbook*), including asking us to:
 - put in writing why something isn't covered

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- change a decision we made
- pay for a bill you got

E. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network can't make you pay for covered services. They also can't balance bill or charge you if we pay less than the amount the provider charged. To learn what to do if a network provider tries to charge you for covered services, refer to **Chapter 7** of this *Member Handbook*.

F. Your right to leave our plan

No one can make you stay in our plan if you don't want to.

- You have the right to get most of your health care services through Original Medicare or another Medicare Advantage (MA) plan.
- You can get your Medicare Part D drug benefits from a drug plan or from another MA plan.
- Refer to **Chapter 10** of this *Member Handbook*:
 - For more information about when you can join a new MA or drug benefit plan.
 - For information about how you'll get your Michigan Medicaid benefits if you leave our plan.

G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we won't drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- **Ask us to cover a service or drug that we denied or usually don't cover.** This is called a coverage decision. **Chapter 9** of this *Member Handbook* tells how to ask us for a coverage decision.

G2. Your right to say what you want to happen if you can't make health care decisions for yourself

In Michigan, you can create a legal document called a **Durable Power of Attorney for Health Care (DPOA-HC)**. This document allows you to name a **patient advocate** who can make medical decisions for you if you become incapacitated and can't make your own decisions. The DPOA-HC may include an "Advance Directive" as described below. Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you **don't** want.

The legal document you use to give your directions is called an "advance directive." There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You aren't required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- **Get the form.** You can get the form from your doctor, a lawyer, a social worker, or some office supply stores. Pharmacies and provider offices often have the forms. You can find a free form online and download it.
- **Fill out the form and sign it.** The form is a legal document. Consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies of the form to people who need to know.** Give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.
- If you're being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**
 - The hospital will ask if you have a signed advance directive form and if you have it with you.
 - If you don't have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.

By law, no one can deny you care or discriminate against you based on whether you signed an advance directive. Call Member Services for more information.

G3. What to do if your instructions aren't followed

If you signed an advance directive and you think a doctor or hospital didn't follow the instructions in it, you can make a complaint with the Michigan Department of Licensing and Regulatory Affairs, Bureau of Community and Health Systems at 1-800-882-6006.

H. Your right to make complaints and ask us to reconsider our decisions

Chapter 9 of this *Member Handbook* tells you what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Member Services to get this information.

H1. What to do about unfair treatment or to get more information about your rights

- Member Services.
- MI Options at 1-800-803-7174. For more details about MI Options, refer to **Chapter 2**.

I. Your responsibilities as a plan member

As a plan member, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read this *Member Handbook*** to learn what our plan covers and the rules to follow to get covered services and drugs. For details about your:
 - Covered services, refer to **Chapters 3 and 4** of this *Member Handbook*. Those chapters tell you what's covered, what isn't covered, what rules you need to follow, and what you pay.
 - Covered drugs, refer to **Chapters 5 and 6** of this *Member Handbook*.
- **Tell us about any other health or drug coverage** you have. We must make sure you use all of your coverage options when you get health care. Call Member Services if you have other coverage.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- **Tell your doctor and other health care providers** that you're a member of our plan. Show your Member ID Card when you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
 - Give them information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all the drugs you take. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - Ask any questions you have. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you don't understand the answer, ask again.
- **Be considerate.** We expect all plan members to respect the rights of others. We also expect you to act with respect in your doctor's office, hospitals, and other provider offices.
- **Pay what you owe.** As a plan member, you're responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For almost all AmeriHealth Caritas VIP Care members, Michigan Medicaid pays for your Medicare Part A premium and for your Medicare Part B premium.
 - For some of your drugs covered by our plan, you must pay your share of the cost when you get the drug. This will be a coinsurance or copay. **Chapter 6** tells what you must pay for your drugs.
 - **If you get any services or drugs that aren't covered by our plan, you must pay the full cost.** (Note: If you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to **Chapter 9** to learn how to make an appeal.)
- **Tell us if you move.** If you plan to move, tell us right away. Call Member Services.
 - **If you move outside of our service area, you can't stay in our plan.** Only people who live in our service area can be members of this plan. **Chapter 1** of this *Member Handbook* tells about our service area.
 - We can help you find out if you're moving outside our service area. During a special enrollment period, you can switch to Original

Medicare or enroll in a Medicare health or drug plan in your new location. We can tell you if we have a plan in your new area.

- Tell Medicare and Michigan Medicaid your new address when you move. Refer to **Chapter 2** of this *Member Handbook* for phone numbers for Medicare and Michigan Medicaid.
- **If you move and stay in our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
- **If you move, tell Social Security (or the Railroad Retirement Board.)**
- **Call Member Services for help if you have questions or concerns.**
- Enrollees age 55 and older who are getting long-term care services may be subject to estate recovery upon their death. For more information, you may:
 - Contact your Care Coordinator, or
 - Call the Beneficiary Helpline at 1-800-642-3195, or
 - Visit the website at www.michigan.gov/estater recovery, or
 - Email questions to MDHHS-EstateRecovery@michigan.gov

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan said it won't pay for.
- You disagree with a decision your plan made about your care.
- You think your covered services are ending too soon.

This chapter is in different sections to help you easily find what you're looking for. **If you have a problem or concern, read the parts of this chapter that apply to your situation.**

You should get the health care, drugs, long-term supports and services, and other supports and services that your doctor and other providers determine are necessary for your care as a part of your care plan. You should try to work with your providers and AmeriHealth Caritas VIP Care first. **If you're still having a problem with your care or our plan, you can call the MI Community, Home, and Health Ombudsman (MI CHHO) at 1-888-746-6456.** This chapter explains the different options you have for different problems and complaints, but you can always call the MI CHHO to help guide you through your problem. For additional resources to address your concerns and ways to contact them, refer to **Chapter 2**, Section G for more information on ombudsman programs.

A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints** (also called grievances).

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination”, “benefit determination”, “at-risk determination”, or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to get help

B1. For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from the Michigan MI Options Program. You can call the MI Options Program. Counselors can answer your questions and help you understand what to do about your problem. MI Options isn’t connected with us or with any insurance company or health plan. MI Options has trained counselors in every county, and services are free. The MI Options phone number is 1-800-803-7174 (TTY 711), Monday – Friday, 8:30 a.m. – 5 p.m. Help and information from Medicare

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.
- Visit the Medicare website (www.medicare.gov).

Help and information from Michigan Medicaid

You can call the Beneficiary Help Line at 1-800-642-3195 from 8:00 AM to 7:00 PM Monday through Friday (except holidays) or email beneficiarysupport@michigan.gov. The Beneficiary Support website can be found at www.michigan.gov/mdhhs/assistance-programs/medicaid/portalhome/beneficiaries/supportht.

C. Understanding Medicare and Michigan Medicaid complaints and appeals in our plan

You have Medicare and Michigan Medicaid. Information in this chapter applies to **all** your Medicare and Michigan Medicaid benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Michigan Medicaid processes.

Sometimes Medicare and Michigan Medicaid processes can’t be combined. In those situations, you use one process for a Medicare benefit and another process for a Michigan Medicaid benefit. **Section F4** explains these situations.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

Is your problem or concern about your benefits or coverage?	
This includes problems about whether particular medical care (medical items, services, long term supports and services and/or Part B drugs) are covered or not, the way they're covered, and problems about payment for medical care.	
Yes. My problem is about benefits or coverage. Refer to Section E , "Coverage decisions and appeals."	No. My problem isn't about benefits or coverage. Refer to Section K , "How to make a complaint."

E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage for your medical care (services, items and Part B drugs, including payment). To keep things simple we generally refer to medical items, services, and Part B drugs as **medical care**.

NOTE: Medicaid specialty behavioral health services are covered by the Prepaid Inpatient Health Plan (PIHP). This includes mental health, intellectual/developmental disability, and substance use disorder services and supports. If the PIHP makes a coverage decision and you don't agree with it, you must appeal to the PIHP. Information about the PIHP in your area is found **Chapter 4** of this *Member Handbook*.

If you live in Macomb or Wayne County, contact PHIP for information about coverage decisions and appeals on behavioral health services.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. For example, if your plan network provider refers you to a medical specialist outside of the network, this referral is considered a favorable decision unless either your network provider can show that you received a standard denial notice for this medical specialist, or the referred service is never covered under any condition (refer to **Chapter 4, Section H** of this *Member Handbook*).

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

care you think you need. **If you want to know if we'll cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we may decide a service or drug isn't covered or is no longer covered for you by Medicare or Michigan Medicaid. If you disagree with this coverage decision, you can make an appeal.

E2. Appeals

If we make a coverage decision and you aren't satisfied with this decision, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter you can ask for an expedited or "fast coverage decision" or "fast appeal" of a coverage decision.

If we say **No** to part or all of what you asked for, we'll send you a letter. If your problem is about coverage of a Medicare medical care, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals. If your problem is about coverage of a service or item covered by both Medicare and Medicaid, the letter will give you information regarding both types of Level 2 Appeals.

If you aren't satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care”
- **Section G**, “Medicare Part D drugs”

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- **Section H**, “Asking us to cover a longer hospital stay”
- **Section I**, “Asking us to continue covering certain medical services” (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)

If you're not sure which section to use, call Member Services at the numbers at the bottom of the page. [

F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for your care.

This section is about your benefits for medical care that's described in **Chapter 4** of this *Member Handbook* in the benefits chart. In some cases, different rules may apply to a Medicare Part B drug. When they do, we explain how rules for Medicare Part B prescription drugs differ from rules for medical services and items.

F1. Using this section

This section explains what you can do in any of the five following situations:

1. You think we cover medical care you need but aren't getting.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn't approve the medical care your doctor or other health care provider wants to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we won't pay.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Section H** or **Section I** to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **integrated organization determination**.

You, your doctor, or your representative can ask us for a coverage decision by:

- Calling: 1-844-964-4433, TTY: 711.
- Faxing: 1-855-329-6400.
- Writing:

AmeriHealth Caritas VIP Care
Prior Authorization Medical Care
P.O. Box 7075
London, KY 40742-7075

Standard coverage decision

When we give you our decision, we use the “standard” deadlines unless we agree to use the “fast” deadlines. A standard coverage decision means we give you an answer about a:

- **7 calendar days** after we get your request **for a medical service or item that is subject to our prior authorization rules**.
- **14 calendar days** after we get your request **for all other medical services or items**.
- **72 hours** after we get your request **for a Medicare Part B drug**.

For a medical item or service, we can take up to 14 more calendar days if you ask for more time or if we need more information that may benefit you (such as medical records from out-of-

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

network providers). If we take extra days to make the decision, we'll tell you in writing. **We can't take extra days if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days, you can make a "fast complaint" about our decision to take extra days. When you make a fast complaint, we give you an answer to your complaint within 24 hours. The process for making a complaint is different from the process for coverage decisions and appeals. For more information about making a complaint, including a fast complaint, refer to **Section K**

Fast coverage decision

The legal term for fast coverage decision is **expedited determination**.

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a "fast coverage decision." A fast coverage decision means we'll give you an answer about a:

- **72 hours** after we get your request for a medical service or item.
- **24 hours** after we get your request for a Medicare Part B drug.

For a medical item or service, we can take up to 14 more calendar days if we find information that may benefit you is missing (such as medical records from out-of-network providers) or if you need time to get us information for the review. If we take extra days to make the decision, we'll tell you in writing. **We can't take extra time if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days to make the coverage decision, you can make a "fast complaint" about our decision to take extra days. For more information about making a complaint, including a fast complaint, refer to **Section K**. We'll call you as soon as we make the decision.

To get a fast coverage decision, you must meet two requirements:

- You're asking for coverage for medical items and/or services that you **didn't get**. You can't ask for a fast coverage decision about payment for items or services you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast coverage decision.

- If we decide that your health doesn't meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast coverage decision if your doctor asks for it.
 - How you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**

If we say No to part or all of your request, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you'll go on to Level 1 of the appeals process (refer to **Section F3**)

In limited circumstances we may dismiss your request for a coverage decision, which means we won't review the request. Examples of when a request will be dismissed include:

- if the request is incomplete,
- if someone makes the request on your behalf but isn't legally authorized to do so,
or
- if you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we'll send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

F3. Making a Level 1 Appeal

To start an appeal, you, your doctor, or your representative must contact us. Call us at 1-844-964-4433 (TTY 711).

Ask for a standard appeal or a fast appeal in writing or by calling us at <phone number>.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information,** visit www.amerihealthcaritasvipcare.com/mi.

- If your doctor or other prescriber asks to continue a service or item you're already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at www.amerihealthcaritasvipcare.com/mi.
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal:
 - We dismiss your request, and
 - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal within 65 calendar days from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

The legal term for "fast appeal" is "**expedited reconsideration.**"

- If you appeal a decision we made about coverage for care, you and/or your doctor decide if you need a fast appeal.

We automatically give you a fast appeal if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast appeal.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- If we decide that your health doesn't meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast appeal if your doctor asks for it.
 - How you can file a "fast complaint" about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**

If we tell you we are stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
 - If you meet this deadline, you'll get the service or item with no changes while your Level 1 appeal is pending.
 - You'll also get all other services or items (that aren't the subject of your appeal) with no changes.
 - If you don't appeal before these dates, then your service or item won't be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

There are deadlines for a fast appeal.

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
 - If we don't give you an answer within 72 hours or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 – Fair Hearing with the state yourself as soon as the time is up. In Michigan Fair Hearings are held by the Michigan Office of Administrative Hearings and Rules (MOAHR). **If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal.
- **If we say No to part or all of your request**, we send your appeal to the IRO for a Level 2 Appeal.

There are deadlines for a standard appeal.

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B drug you didn't get, we give you our answer **within 7 calendar days** after we get your appeal or sooner if your health requires it.
- If your request is for services provided by the Children's Specialized Health Care Services (CSHCS), we must give you our answer within 10 calendar days after we get your appeal for coverage for services you didn't get.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
 - If you think we **shouldn't** take extra days, you can file a fast complaint about our decision. When you file a fast complaint, we give you an answer within 24 hours. For more information about making complaints, including fast complaints, refer to **Section K**.
 - If we don't give you an answer by the deadline or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 – Fair Hearing with the state yourself as soon as the time is up. In Michigan, Fair Hearings are *held by the Michigan Office of Administrative Hearings and Rules (MOAHR)*.

If we say **Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 30 calendar days, or **within 7 calendar days** if your request is for a Medicare Part B drug, after we get your appeal.

If we say **No** to part or all of your request, **you have additional appeal rights**:

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal.
- If your problem is about coverage of a Michigan Medicaid service or item, the letter tells you how to file a Level 2 Appeal yourself.

F4. Making a Level 2 Appeal

If we say **No** to part or all of your Level 1 Appeal, we send you a letter. This letter tells you if Medicare, Michigan Medicaid, or both programs usually cover the service or item.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- If your problem is about a service or item that **Medicare** usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that Michigan Department of Health and Human Services usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter
- If your problem is about a service or item that **both Medicare and Michigan Medicaid** may cover, you automatically get a Level 2 Appeal with the IRO. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by Michigan Medicaid, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the Independent Review Organization (IRO) is the **Independent Review Entity**, sometimes called the **IRE**.

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
- We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.
- You have a right to give the IRO additional information to support your appeal.
- Reviewers at the IRO take a careful look at all information related to your appeal.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO can't take extra time to make a decision if your request is for a Medicare Part B drug.

If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the IRO must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B drug, the IRO must give you an answer to your Level 2 Appeal **within 7 calendar days** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO take extra time to make a decision if your request is for a Medicare Part B drug.

The IRO gives you their answer in writing and explains the reasons.

- **If the IRO says Yes to part or all of a request for a medical item or service, we must:**
 - Authorize the medical care coverage **within 72 hours, or**
 - Provide the service within **14 calendar days** after we get the IRO's decision for **standard requests, or**
 - Provide the service **within 72 hours** from the date we get the IRO's decision for **expedited requests**.
- **If the IRO says Yes to part or all of a request for a Medicare Part B drug, we must authorize or provide the Medicare Part B drug under dispute:**

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- **within 72 hours** after we get the IRO's decision for **standard requests, or**
- **within 24 hours** from the date we get the IRO's decision for **expedited requests.**
- **If the IRO says No to part or all of your appeal,** it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."
 - If your case meets the requirements, you choose whether you want to take your appeal further.
 - There are three additional levels in the appeals process after Level 2, for a total of five levels.
 - If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.
 - An Administrative Law Judge (ALJ) or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** for more information about Level 3, 4, and 5 Appeals.

When your problem is about a service or item Medicaid usually covers, or that's covered by both Medicare and Michigan Medicaid

A Level 2 Appeal for services that Michigan Medicaid usually covers is a Fair Hearing with the state. In Michigan Medicaid a Fair Hearing is called Michigan Office of Administrative Hearings and Rules (MOAHR). You must ask for a Fair Hearing in writing or by phone **within 120 calendar days** of the date we sent the decision letter on your Level 1 Appeal. The letter you get from us tells you where to submit your request for a Fair Hearing.

Medicaid Level 2 Appeals Process

To ask for a Fair Hearing from MOAHR, you must complete a Request for Hearing form. We will send you a Request for Hearing form with the Notice of Appeal Decision. You can also get the form by calling the Michigan Medicaid Beneficiary Help Line at 1-800-642-3195 (TTY: 1-866-501-5656), or 1-800-975-7630 if calling from an internet-based phone service, Monday through Friday from 8 a.m. to 7 p.m. Complete the form and send it to: Michigan Office of Administrative Hearings and Rules (MOAHR) PO Box 30763 Lansing, MI 48909 FAX: 517-763-0146. You can also start the Fair Hearing by calling 1-800-648-3397. You can ask for an expedited (fast) Fair Hearing by calling that number or writing to the address or faxing to the number listed above.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

After MOAHR gets your Fair Hearing request, you will get a letter telling you the date, time, and place of your hearing. Hearings are usually conducted over the phone, but you can ask that your hearing be conducted in person. MOAHR must give you an answer in writing within 90 calendar days of when it gets your request for a Fair Hearing. If you qualify for an expedited Fair Hearing, MOAHR must give you an answer within 72 hours. However, if MOAHR needs to gather more information that may help you, it can take up to 14 more calendar days. After you get the MOAHR final decision, you have 30 calendar days from the date of the decision to file a request for rehearing/reconsideration and/or to file an appeal with the Circuit Court.

You also have the right to ask for an External Review through the Michigan Department of Insurance and Financial Services (DIFS). You must complete our Internal Appeals process first before you can ask for this type of External Appeal. Your request for an External Review must be submitted within 127 calendar days of your receipt of our Internal Appeal decision.

To ask for an External Review from DIFS, you must complete the Health Care Request for External Review form. We will send you this form with our Notice of Appeal Decision. You can also get a copy of the form by calling DIFS at 1-877-999-6442. Complete the form and send it with all supporting documentation to: DIFS Office of Research, Rules, and Appeals – Appeals Section PO Box 30220 Lansing, MI 48909-7720 FAX: 517-284-8838 Email: DIFS-HealthAppeal@Michigan.gov DIFS Consumer Hotline: 1-877-999-6442.

If your request does not involve reviewing medical records, the External Review will be conducted by the Director of DIFS. If your request involves issues of medical necessity or clinical review criteria, it will be sent to a separate Independent Review Organization (IRO). If the review is conducted by the Director and does not require review by an IRO, the Director will issue a decision within 14 calendar days after your request is accepted. If the review is referred to an IRO, the IRO will give its recommendation to DIFS within 14 calendar days after it is assigned the review. The Director will then issue a decision within 7 business days after it receives the IRO's recommendation. If the standard timeframe for review would jeopardize your life or health, you may be able to qualify for an expedited (fast) review. An expedited review is completed within 72 hours after your request. To qualify for an expedited review, you must have your doctor verify that the timeframe for a standard review would jeopardize your life or health. If you disagree with the External Review decision, you have the right to appeal to Circuit Court in the country where you live or the Michigan Court of Claims within 60 days from the date of the decision.

The Fair Hearing office gives you their decision in writing and explain the reasons.

- If the Fair Hearing office says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.
- If the Fair Hearing office says **No** to part or all of your appeal, it means they agree that we shouldn't approve your request (or part of your request) for

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

coverage for medical care. This is called “upholding the decision” or “turning down your appeal.”

If the IRO or Fair Hearing office decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the Fair Hearing office describes the next appeal option.

Refer to **Section J** for more information about your appeal rights after Level 2.

F5. Payment problems

We don't allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You're never required to pay the balance of any bill. The only amount you should be asked to pay is the copay for *drug categories that require a copay*.

If you get a bill for covered services and items, send the bill to us. Don't pay the bill yourself. We'll contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from our plan if you followed the rules for getting services or item.

For more information, refer to **Chapter 7** of this *Member Handbook*. It describes situations when you may need to ask us to pay you back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

If you ask to be paid back, you're asking for a coverage decision. We'll check if the service or item you paid for is covered and if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we'll send you the payment for the service or item typically within 30 calendar days, but no later than 60 calendar days after we get your request.
- If you haven't paid for the service or item yet, we'll send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item isn't covered or you did not follow all the rules, we'll send you a letter telling you we won't pay for the service or item and explaining why.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

If you don't agree with our decision not to pay, **you can make an appeal**. Follow the appeals process described in **Section F3**. When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we'll send your case to the IRO. We'll send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we shouldn't approve your request. This is called "upholding the decision" or "turning down your appeal." You'll get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and Michigan Medicaid usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4** for more information.

G. Medicare Part D drugs

Your benefits as a member of our plan include coverage for many drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Michigan Medicaid may cover. **This section only applies to Medicare Part D drug appeals.** We'll say "drug" in the rest of this section instead of saying "Medicare Part D drug" every time. For drugs covered only by Medicaid follow the process in **Section E**.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of this *Member Handbook* for more information about a medically accepted indication.

G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- You ask us to make an exception, including asking us to:
 - cover a Medicare Part D drug that isn't on our plan's *Drug List* or
 - set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan's *Drug List* but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can't be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Medicare Part D drugs is called a “**coverage determination.**”

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

Which of these situations are you in?

You need a drug that isn't on our <i>Drug List</i> or need us to set aside a rule or restriction on a drug we cover. You can ask us to make an exception. (This is a type of coverage decision.) Start with Section G2, then refer to Sections G3 and G4.	You want us to cover a drug on our <i>Drug List</i>, and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need. You can ask us for a coverage decision. Refer to Section G4.	You want to ask us to pay you back for a drug you already got and paid for. You can ask us to pay you back. (This is a type of coverage decision.) Refer to Section G4.	We told you that we won't cover or pay for a drug in the way that you want. You can make an appeal. (This means you ask us to reconsider.) Refer to Section G5.
---	---	--	--

G2. Medicare Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an "exception." If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our *Drug List* or for removal of a restriction on a drug is sometimes called asking for a **formulary exception**.

Asking to pay a lower price for a covered non-preferred drug is sometimes called asking for a **tiering exception**.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. Covering a drug that isn't on our *Drug List*

- If we agree to make an exception and cover a drug that isn't on our *Drug List*, you pay the copay that applies to drugs in tier 4.
- You can't get an exception to the required copay amount for the drug.

2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our *Drug List* (refer to **Chapter 5** of this *Member Handbook* for more information).
- Extra rules and restrictions for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting our approval in advance before we agree to cover the drug for you. This is sometimes called "prior authorization (PA)."
 - Being required to try a different drug first before we agree to cover the drug you ask for. This is sometimes called "step therapy."
 - Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.
- If we agree to an exception for you and set aside a restriction, you can ask for an exception to the copay amount you're required to pay.

3. Changing coverage of a drug to a lower cost-sharing tier. Every drug on our *Drug List* is in one of 9 cost-sharing tiers. In general, the lower the cost-sharing tier number, the less your required copay amount is.

- Our *Drug List* often includes more than one drug for treating a specific condition. These are called "alternative" drugs.
- If an alternative drug for your medical condition is in a lower cost-sharing tier than the drug you take, you can ask us to cover it at the cost-sharing amount for the alternative drug. This would lower your copay amount for the drug.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- If the drug you take is a brand name drug, you can ask us to cover it at the cost-sharing amount for the lowest tier for brand name alternatives for your condition.
- If the drug you take is a generic drug, you can ask us to cover it at the cost-sharing amount for the lowest tier for either brand or generic alternatives for your condition.
- You can't ask us to change the cost-sharing tier for any drug in Tier 5 (Specialty).
- If we approve your tiering exception request and there's more than one lower cost-sharing tier with alternative drugs you can't take, you usually pay the lowest amount.

G3. Important things to know about asking for an exception

Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our *Drug List* often includes more than one drug for treating a specific condition. These are called "alternative" drugs. If an alternative drug is just as effective as the drug you ask for and wouldn't cause more side effects or other health problems, we generally **don't** approve your exception request. If you ask us for a tiering exception, we generally **don't** approve your exception request unless all alternative drugs in the lower cost-sharing tier(s) won't work as well for you or are likely to cause an adverse reaction or other harm.

We can say Yes or No to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

G4. Asking for a coverage decision, including an exception

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- Ask for the type of coverage decision you want by calling <phone number>, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don't need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of this *Member Handbook*.
- If you ask for an exception, give us a "supporting statement." The supporting statement includes your doctor or other prescriber's medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

If your health requires it, ask us for a "fast coverage decision."

We use the "standard deadlines" unless we agree to use the "fast deadlines."

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor's statement.

A "fast coverage decision" is called an "**expedited coverage determination.**"

You can get a fast coverage decision if:

- It's for a drug you didn't get. You can't get a fast coverage decision if you're asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.
- If we decide that your medical condition doesn't meet the requirements for a fast coverage decision, we use the standard deadlines instead.
 - We send you a letter that tells you. The letter also tells you how to make a complaint about our decision.
 - You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K**

Deadlines for a fast coverage decision

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6** for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor's supporting statement.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

Deadlines for a standard coverage decision about a drug you didn't get

- If we use the standard deadlines, we must give you our answer within 72 hours after we get your request. If you ask for an exception, we give you our answer within 72 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- If we say **Yes** to part or all of your request, we give you the coverage within 72 hours after we get your request or your doctor's supporting statement for an exception.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

Deadlines for a standard coverage decision about a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

G5. Making a Level 1 Appeal

An appeal to our plan about a Medicare Part D drug coverage decision is called a plan **"redetermination"**.

- Start your **standard** or **fast appeal** by calling <phone number>, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information regarding your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

A fast appeal is also called an “**expedited redetermination.**”

- If you appeal a decision we made about a drug you didn’t get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4** for more information.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.
- We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal at Level 1

- If we use the fast deadlines, we must give you our answer **within 72 hours** after we get your appeal.
 - We give you our answer sooner if your health requires it.
 - If we don’t give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within 7 calendar days** after we get your appeal for a drug you didn’t get.
- We give you our decision sooner if you didn’t get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- If we don't give you a decision within 7 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.

If we say **Yes** to part or all of your request:

- We must **provide the coverage** we agreed to provide as quickly as your health requires, but **no later than 7 calendar days** after we get your appeal.
- We must **send payment to you** for a drug you bought **within 30 calendar days** after we get your appeal.

If we say **No** to part or all of your request:

- We send you a letter that explains the reasons and tells you how you can make an appeal.
- We must give you our answer about paying you back for a drug you bought **within 14 calendar days** after we get your appeal.
 - If we don't give you a decision within 14 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must pay you within 30 calendar days after we get your request.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

G6. Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **IRO** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the "Independent Review Organization" (IRO) is the **"Independent Review Entity"**, sometimes called the **"IRE"**.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the IRO **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.
- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your “case file”. **You have the right to a free copy of your case file.**
- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** for more information about the IRO.

Deadlines for a fast appeal at Level 2

If your health requires it, ask the IRO for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO’s decision.

Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the IRO must give you an answer:

- **within 7 calendar days** after they get your appeal for a drug you didn’t get.
- **within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO’s decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO’s decision.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called “upholding the decision” or “turning down your appeal”.

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can’t make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
 - Decide if you want to make a Level 3 Appeal.
 - Refer to the letter the IRO sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** [\[insert reference, as applicable\]](#) for information about Level 3, 4, and 5 Appeals.

H. Asking us to cover a longer hospital stay

When you’re admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan’s hospital coverage, refer to **Chapter 4** of this *Member Handbook*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your “discharge date.”
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you’re being asked to leave the hospital too soon or you’re concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called "An Important Message from Medicare about Your Rights." Everyone with Medicare gets a copy of this notice whenever they're admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
 - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
 - Be a part of any decisions about the length of your hospital stay.
 - Know where to report any concerns you have about the quality of your hospital care.
 - Appeal if you think you're being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
 - You or someone acting on your behalf can sign the notice.
 - Signing the notice **only** shows that you got the information about your rights. Signing **doesn't** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.

You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page
- Call Medicare at 1-800 MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

- Visit www.cms.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

H2. Making a Level 1 Appeal

To ask for us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They aren't part of our plan.

In Michigan, the QIO is Commence Health. Call them at 1-888-524-9900 (TTY: 1-888-985-8775). Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in **Chapter 2**.

Call the QIO before you leave the hospital and no later than your planned discharge date.

H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at <QIO toll-free phone number>.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We must pay you back for hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- home health care services
- skilled nursing care in a skilled nursing facility, **and**
- rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. – 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

I1. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we'll stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing **doesn't** mean you agree with our decision.

I2. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** for more information about complaints.

A. When you can end your membership in our plan

Most people with Medicare can end their membership during certain times of the year. Since you have Michigan Medicaid, you have some choices to end your membership with our plan any month of the year.

In addition, you may end your membership in our plan during the following periods each year:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you move out of our service area,
- your eligibility for Michigan Medicaid or Extra Help changed, **or**
- if you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

Chapter 11: Legal notices

Introduction

This chapter includes legal notices that apply to your membership in our plan. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

Table of Contents

A. Notice about laws	2
B. Notice about nondiscrimination.....	2
C. Notice about Medicare as a second payer and Michigan Medicaid as a payer of last resort...	2

A. Notice about laws

Many laws apply to this *Member Handbook*. These laws may affect your rights and responsibilities even if the laws aren't included or explained in this *Member Handbook*. The main laws that apply are federal laws about the Medicare and Michigan Medicaid programs. Other federal and state laws may apply too.

B. Notice about nondiscrimination

We don't discriminate or treat you differently because of your race, ethnicity, national origin, color, religion, sex, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. We also do not treat you differently or discriminate against you for sexual orientation and gender identity or expression.

If you want more information or have concerns about discrimination or unfair treatment:

- Call the Department of Health and Human Services, Office for Civil Rights at 1-800-368-1019. TTY users can call 1-800-537-7697. You can also visit www.hhs.gov/ocr for more information.
- Call your local Office for Civil Rights at 1-800-482-3604.
- If you have a disability and need help accessing health care services or a provider, call Member Services. If you have a complaint, such as a problem with wheelchair access, Member Services can help.

C. Notice about Medicare as a second payer and Michigan Medicaid as a payer of last resort

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the first payer.

We comply with federal and state laws and regulations relating to the legal liability of third parties for health care services to members. We take all reasonable measures to ensure that Michigan Medicaid is the payer of last resort.

Biological Product: A drug that's made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biosimilar: A biological product that's very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription. (Go to "Interchangeable Biosimilar").

Brand name drug: A drug that's made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are usually made and sold by other drug companies and are generally not available until the patent on the brand name drug has ended.

Care plan: Refer to "Individualized Care Plan."

It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services.

Cost-sharing tier: A group of drugs with the same copay. Every drug on the *List of Covered Drugs* (also known as the *Drug List*) is in one of 9 cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

Coverage decision: A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we pay for your health services. **Chapter 9** of this *Member Handbook* explains how to ask us for a coverage decision.

Daily cost-sharing rate: A rate that may apply when your doctor prescribes less than a full month’s supply of certain drugs for you and you’re required to pay a copay. A daily cost-sharing rate is the copay divided by the number of days in a month’s supply.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Here is an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7-day supply of the drug, your payment is less than \$0.05 per day multiplied by 7 days, for a total payment less than \$0.35.

Drug management program (DMP): A program that helps make sure members safely use prescription opioids and other frequently abused medications.

Emergency care: Covered services given by a provider trained to give emergency services and needed to treat a medical or behavioral health emergency.

Emergency medical transportation: Transportation provided for a sudden, urgent medical condition that could lead to serious harm or loss of life if not treated immediately. This includes transport by ground ambulance or, if medically necessary, air ambulance.

Emergency room care: Hospital services, outpatient or inpatient, that are necessary to prevent death or serious impairment of health because of an emergency medical condition, which includes conditions with acute symptoms severe enough to threaten a person's health or cause serious impairment if left without immediate medical attention.

If you have questions, please call AmeriHealth Caritas VIP Care (HMO D-SNP) at 1-844-964-4433 (TTY 711), seven days a week, 8 a.m. 8 p.m. The call is free. **For more information**, visit www.amerihealthcaritasvipcare.com/mi.

Hospice: A program of care and support to help people who have a terminal prognosis live comfortably. A terminal prognosis means that a person has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less.

- An enrollee who has a terminal prognosis has the right to elect hospice.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than our cost-sharing amount for services. Call Member Services if you get any bills you don't understand.

Independent review organization (IRO): An independent organization hired by Medicare that reviews a level 2 appeal. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work. The formal name is the **Independent Review Entity**.

Initial coverage stage: The stage before your total Medicare Part D drug expenses reach \$2,100. This includes amounts you paid, what our plan paid on your behalf, and the low-income subsidy. You begin in this stage when you fill your first prescription of the year. During this stage, we pay part of the costs of your drugs, and you pay your share.

- Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid.

- We call them "network providers" when they agree to work with our health plan, accept our payment, and don't charge members an extra amount.
- While you're a member of our plan, you must use network providers to get covered services. Network providers are also called "plan providers".

Nursing home or facility: A place that provides care for people who can't get their care at home but don't need to be in the hospital.

Organization determinations are called "coverage decisions". **Chapter 9** of this *Member Handbook* explains coverage decisions.

- Original Medicare is available everywhere in the United States.
- If you don't want to be in our plan, you can choose Original Medicare.

- In many Medicare health plans, you must use your primary care provider before you use any other health care provider.
- Refer to **Chapter 3** of this *Member Handbook* for information about getting care from primary care providers.

Our plan covers some network medical services only if your doctor or other network provider gets PA from us.

- Covered services that need our plan's PA are marked in **Chapter 4** of this *Member Handbook*.

Our plan covers some drugs only if you get PA from us.

- Covered drugs that need our plan's PA are marked in the *List of Covered Drugs* and the rules are posted on our website.

This includes cost sharing amounts, alternative drugs that may be used for the same health condition as a given drug, and coverage restrictions (prior authorization, step therapy, quantity limits) that apply to alternative drugs.

State Hearing: If your doctor or other provider asks for a Medicaid service that we won't approve, or we won't continue to pay for a Medicaid service you already have, you can ask for a State Hearing. If the State Hearing is decided in your favor, we must give you the service you asked for.

You can get urgently needed care from out-of-network providers when you can't get to them because given your time, place, or circumstances, it isn't possible, or it's unreasonable to obtain services from network providers (for example when you're outside our plan's service area and you require medically needed immediate services for an unseen condition but it isn't a medical emergency).
